

The 12th Asia Pacific Transportation Development Conference & The ICTPA 31th Annual Conference

June 14-17, 2018, Guangzhou, China

1. Submission Method

- Instructions on abstracts and papers submission are stated here. An abstract/paper shall be submitted to: ictpa2018@yahoo.com in the MS WORD file format. An abstract shall not exceed 400 words, and the corresponding author with the email address should be specified. The length of a full paper shall not exceed 5,000 words (excluding tables and figures). (website link at: <https://ictpa2018.wixsite.com/ictpa/speakers>)
- Authors shall indicate that abstracts/papers are submitted for (1) presentation only, or (2) presentation and publication. Papers can be written in either English or Chinese. However, a paper submitted for the publication in JTTE must be written in English.

2. Special Publication

- Authors have the option to specify whether their manuscripts are for peer-reviewed or non-peer-reviewed track. All accepted conference papers, including the non-peer-reviewed papers, will be published in the regular ICTPA conference proceedings in website.
- The peer-reviewed papers should be written in English. All accepted papers will be published in an online proceedings. Selected high quality English papers will be published in the Journal of Traffic and Transportation Engineering (English Edition, ELSEVIER publishing) or Journal of Southeast University (English Edition, EI index).
- Selected high quality Chinese papers will be published in the Journal of Chang'an University (Natural Science Edition, 长安大学学报), Journal of Southeast University (Natural Science Edition, EI index · 东南大学学报), or Journal of South China University of Technology (Natural Science Edition, EI index · 华南理工大学学报).
- Appropriate Copyright Transfer Agreement and duly signed by authorized author, will possibly be needed at the final paper submission stage for accepted JTTE

papers. The corresponding authors will be contacted by the Journal and the publisher directly then.
