

Tri-County Wood Turners
Minutes for the January 2018 Meeting

The meeting opened with club Vice President John Williams leading the pledge of allegiance. John Williams also provided the club with a short prayer. Art Worth was absent due to personal business.

The club meeting began at 6:30.

Changes:

The Florida Woodturning Symposium is February 9th - 11th at Lake Yale. There is still time and openings to sign up for this event. The FWS is requesting donations for raffle items at the symposium. Please bring wood related items to John Long at the next club meeting. He will see that they get to the Symposium. Remember the FWS is a 501(c)3 non-profit so your donation is tax deductible.

The annual woodworkers show is scheduled for January 26th – 28th at the Florida State Fair ground's Expo hall.

The Florida State Fair is upon us. The club will have a lathe there for members who volunteer to demonstrate during the fair.

Show & Tell:

Show and tell consisted of bowls, pens, and other crafted wood objects.

Recognitions:

Guest and new members were recognized. Guests wishing to join the club were encouraged to see Bob Varner to sign up. The owner of Boyd Clocks was attending tonight's meeting. He has an interest in wood objects and offered anyone wishing to delve into clock repair to stop by for some on the job clock repair training.

General Announcements:

Thanks to all who helped and participated in the 2017 Christmas party. The club hosted the party for under \$300. There were 61 attendees to this night's meeting. Please sign the county's attendance sheet as it is passed around.

A motion was put to the club that the elected officers for 2018 be sworn in. The motion passed.

The officers for 2018 are as follows:

- Art Worth, President
- John Williams, First Vice President
- Dennis Perez, Second Vice President
- Neal Janis, Secretary, and
- Jim McLoone, Treasurer

James Lee will be auditing the treasurer's books in preparation to transfer them to Jim McLoone. Additionally, a check signing change at the bank is required. Bob Varner will be removed from signing checks. Jim McLoone and Art Worth will be the check signees.

The next Turn and Learn is scheduled for March 10th at the Carrollwood Cultural Center. See Rich Nannis for further information.

Everyone is asked to make their \$30 donation to the club. It is a new year.

As always, a big thank you goes out to Carl Brown and Mark Neinstadt for their video work. The A/V band of volunteers is always greatly appreciated.

Club DVD's are available for a \$2.00 rental donation. See Bob Varner to donate and sign them out.

For Sale:

No for sale items were announced at tonight's meeting, however please check the web site as items are posted from time to time.

Raffle:

Tonight's raffle consisted of mostly donated wood. A big thank you goes out to Matt O'Conner for handling the raffle

Safety:

Safety is everyone's personal responsibility. Ed discussed the importance and risks of properly using a band saw. Remember never push material toward the blade with your hand in direct blade alignment. Pay attention to your feed rate. Have your blade guard at the proper height. Additional safety materials can always be found on the AAW web site.

Demonstration:

Al Hockenbery provided an informative demonstration on turning an Indian seed holder. The lathe shield was in place and the demonstrator was using a face shield. Further information and tips regarding this activity can be found on the website. Information can also be found on Al Hockenbery's web site.

Closing:

As always, see everyone on February 7th for the clubs next meeting. Starting time is 6:30 sharp. Next month's demonstrator is Rudy Lopez.

Tri-County Wood Turners

Minutes for the August 2018 Meeting

The meeting opened with club President Art Worth leading the pledge of allegiance and John Williams leading the club in prayer. The club meeting began at 6:30.

Old Business:

The county signup sheet was passed around, as well as the clubs membership roster for data verification. Currently there are 88 paid members.

The update of the by-laws is still in progress. Art will be posting a clean revised version of the by-laws for final review before the membership votes for approval. This item is projected to be voted on in September.

Video:

As always, a big thank you goes out to the video team for their work. Carl and Jan's merry band of volunteers are greatly appreciated.

Club DVD's are available for a \$2.00 rental donation. See John to donate and sign them out. Also, check out the AAW video library as it has been enhanced and is a great resource.

Show & Tell:

Show and tell consisted of bowls, pens, vases, urns, boxes, and a clock.

Recognitions:

Guests and new members were recognized. Guests wishing to join the club were encouraged to see Jim Mcloone to sign up.

New Business:

There were 49 people attending this evenings meeting. Jim Mcloone's treasury report is located at the bottom of this month's minutes.

Mark Borosch is ordering anchor seal. Anyone wanting anchor seal please contact Mark. The cost should work out to about \$21 per gallon.

Art and other members have been working on a working agreement between TCWT and the Florida School of Woodwork (SW). A draft will be posted to the web site for membership review. The basics of the agreement are as follows: TCWT will be able to store our lathes at their facility. TCWT will be able to conduct

Turn and Learns at their facility and use their 11 lathes for those events. This would provide 14 work stations, so no one would have to bring their lathe. The facility is air conditioned. Rudy Lopez and Beth Ireland are instructors at the school. There appears to be plenty of parking both free and paid. Turn & Learns will require plenty of advanced scheduling due to the school being heavily booked. We would be projecting about one per quarter. Our lathes need to be outfitted with caster for ease of movement. The projected cost for this is approximately \$200. SW would like access to our membership e-mail listing to advertise their school's events. A motion was brought forward and seconded, passed membership vote, to proceed on this course of action.

The by-laws are a work in progress. Art is posting a clean final revision of the by-laws on the web site. As part of the by-law update D&O insurance will become a requirement. The cost for this additional insurance is approximately \$600 per year. This is the final opportunity for comments and changes. The plan is to have membership vote on the by-laws in either September or October.

Jimmy Clewes is coming to town on November 17th. He is being hosted by several clubs. The event will occur at Glenn Ploeckelmann's church on Van Dyke (All Saints Lutheran Church, 5315 Van Dyke Rd, Lutz, FL 33558). The facility can handle about 100 people and we anticipate about 50 for this event. TCWT portion of the cost for this event is approximately \$1,000. Lunch, drinks and snacks will be provided. The cost for the event is \$30 if paid by October's meeting. It will be \$35 if paid later. It is anticipated that Jimmy will do 3 demos.

The club is looking for ways to enhance our raffles. The club is looking at special raffles of past demonstrator's demo pieces. A suggestion was made to have a turner of the month raffle, whereby in advance, a selected club turner would provide one of their pieces for a special raffle. Raffle enhancements could include tools and gift certificates from Hartville Tools, Woodcraft, or Advantage Lumber. The club is looking for volunteers to work toward these enhancements or other ideas.

For Sale:

Franck Johannesen has a Powermatic 3520 A for sale. Another member has a Shopsmith Mark 5 for sale. Glenn has a set of turning tools for sale. Please check the web site as items are posted from time to time.

Raffle:

Tonight's raffle consisted of a wide variety of wood and a set of router bits. The club is looking for volunteers who can procure quality items for special higher value raffles. The club is looking to conduct some special auctions.

Safety:

The demonstrator wore safety glasses. Safety is everyone's personal responsibility. Additional safety materials can always be found on the AAW web site.

Demonstration:

Franck Johannesen provided an informative demonstration turning segmented laminated bowls primarily made from wood scraps. The lathe shield was in place for tonight's demonstration. Further information and tips regarding this activity can be found on the website.

Closing:

As always, see everyone on September 5th for the clubs next meeting. Starting time is 6:30 sharp.
