Chaplain's Message

Last night a group of us from our church sang Christmas carols on a University campus in Vancouver, BC. The percentage of true Christians in Vancouver is 0.4%, very unlike our cities in Texas. We lit Christmas lights on a two block long stretch of trees on the campus to the delight of 200 local adults and children. A few small lights in a very dark lost city. As we shared hot chocolate and balloons with the children, and invited them all to the small local church, we thanked God for the privileges and blessings that we have as Christians in our home town. We also thanked God for those sharing a small light of His gospel in such a city as Vancouver.

As you share this Christmas Season with your families and friends, let us all be reminded of the personal Blessings we enjoy, serving a personal God in a Christian nation.

Have a Blessed Season.

Cruisin' Along

November brought an opportunity for CCC Members to help out the Lone Star Corvette Club at the Mecum Auto Auction in Dallas. Those who volunteered had a blast! We drove numerous cars across the auction block, tugged cars behind golf carts to the staging area, steered cars being tugged, and carted drivers to and from the storage areas to the staging areas. There is something for everyone. Just ask **Pam & Mike McCully**. They helped out on the second day of the auction and were grinning from ear to ear. They can't wait til next year to help out again.

Pam & Mike McCully's First Rides

Terry Walker – First across the block!

Linda Walker's – Favorite Ride
In order to start it she had to turn the key to on, pull out the choke, push the button on the door, and press down the accelerator!
