PostBase® insight Semi-Auto

PostBase® insight Semi-Auto

The perfect mailing system for small offices

The PostBase® insight Semi-Auto is an entry-level postage meter with the latest innovation in mailing system technology. This fully digital system boasts semi-automatic feeding, a manual sealer, and seamless connectivity for postage downloads and software updates. The intuitive icon-driven interface enables you to navigate your mailroom like a smartphone, making this postage meter easy for anyone in the office to use. With the PostBase® insight Semi-Auto, you gain access to postal discounts and complementary USPS® online parcel shipping that make the PostBase® insight a key addition for your business.

USPS® IMI Approved Postage Meter

The PostBase® insight is a fully digital, Intelligent Mail Indicia (IMI)-compliant postage meter designed to fully meet all USPS® standards and requirements. Equipped with the most up-to-date IMI technology, the PostBase® insight includes a full set of USPS® postal rates and automatic downloads to ensure you always have accurate postal rates without any hassle.

High Yield Ink – Low Cost Per Imprint

PostBase® insight is designed to keep your operational costs low. With a high yield and dual ink cartridge system, it offers the lowest cost per imprint in its class. Ink cartridge replacement is easy; users are guided through the process with on-screen step-by-step animation.
