Lash & Permanent Makeup Artist

Brie began her journey as an Esthetician out of a pure passion for helping people and beauty. Born and raised in Denver, Colorado Native started her career in the medical field as a Medical Assistant and then moved on to the corporate arena in HR. After spending much time in this area, she decided her love to help people was her passion, so she decided to go back to school at the Aveda Institute Denver to pursue her certification in Esthetics. While in school she also completed training for Eyelash Extensions. After completing school and working at a salon to gain valuable experience, she also took on more training and certifications in Microneedling, Microdermabrasion, Dermaplaning, Waxing and Permanent Makeup. Her passion for knowledge in the dynamic, ever-changing skincare beauty industry ensures that she stays informed about the latest technologies and cutting-edge ingredients in skincare, which she loves to share with her clients. Every product she carries has been tried, tested and hand chosen by Brie herself! Her approach is one that encompasses all the technical knowledge with a relaxing and soothing touch. Because of her dedication and love for the beauty industry she has gained the credibility and loyalty of all her clients.
