

1952 MG TD, Body# TD22381, Engine XPAG 12204, Asking \$15,250

This car has a good running and dependable 1250 CC 4-cylinder engine and a 4-speed manual transmission. This MG comes with all side curtains, a cockpit cover and the convertible top is in fair condition. The car was last restored in the 1970s and shows well for its age. It starts quickly, runs great and shifts through all the gears. A Dave Clark 4.3/1 rear-end has been installed enabling the car to better keep up with modern traffic. The dash is in very good condition and all the gauges work except for the clock. The door panels and seats show their age, but they look good with no tears or rips. The electrical system operates normal and the car has a new generator. The red paint shows some age and has some chips and blemishes with a small dent on the right fender but still has great shine. A clean title and many extra new parts go with the car including a luggage rack, rubber kit and hub caps.

This car is in Smyrna, GA. To see the car or to ask questions contact Tom Rhodes at 678-207-9389 (evenings) or e-mail TomRhodesEmail@gmail.com
