

# Have Your Birthday at MMA

Marietta Martial Arts can make the birthday experience the best one your child has ever had and the easiest one you have ever planned!

Here's what MMA will do:

- Provide free karate birthday party invitations
- Your child will be the 'star of the show' as the Assistant Instructor, bowing the group in and out and will demonstrate several basic techniques that we teach the group (under our complete direction and supervision, of course.) More importantly, MMA will also emphasize the importance of courtesy and respect in the martial arts
- Karate skills games played - including Ninja Dodge ball against the Parents
- Just before your child bows out the group, MMA will make a special presentation of an "Future Instructor" certificate, suitable for framing.
- Your child will cut the cake with a real samurai sword
- Provide goodie bags for the party guests.
- Best of all - MMA will take care of the cleanup so you can enjoy the celebration!

Here is a checklist of what you will need to bring to the party:

- ✓ Cake, cake cutter & drinks - **Please NO other food allowed**
- ✓ Candles & lighter/matches
- ✓ Paper goods (plates, napkins, forks, cups)
- ✓ Decorations (including table cloths - 3 tables) - *MMA will assist with the decorating!*
- ✓ Signed waivers for all non-MMA students (provided with the invitations)

Since our *Martial Arts Birthday Party* is a great value for everyone and it includes unlimited guests, the party schedule fills up fast!

## **Birthday Party Food Policy At Marietta Martial Arts**

Dear Parents,

We are so excited that you have chosen to have your child's birthday party at Marietta Martial Arts. We know this will be one of the easiest and most enjoyable parties you will have ever hosted!

Many parents have asked us about bringing food (other than the cake) to the party, unfortunately extra food has created too many problems. We have tried to limit the amount of food or the types of food allowed. We have even attempted to talk to the birthday party parents and the visiting parents but in many cases our requests are quickly forgotten during the excitement of the party.

We have packed the 1.5-hr birthday party full of fun and exciting martial arts games and drills. There is only a specified amount of time allotted for the children to eat cake. We have found that if parents bring additional food or refreshments, this causes the birthday party activities to go off track and the birthday party child may not be able to do the grand finale of the birthday party.

The other reason is due to the mess created and extra cleaning required when additional food and refreshments are brought in. Inevitably, kids will be kids, and watermelons will be karate chopped, potato chips will spill and get trampled on or grapes will be thrown and a food fight will ensue. With our birthday parties being booked back-to-back, we are limited on the amount of clean up time before the next party can start. In addition, our instructor team works very hard to ensure that your child has a clean environment to train in during their next class.

**Please honor our policy** that no outside food or drink, other than cake and juice boxes (or water), are allowed during MMA's birthday parties.

Thank you for your understanding and cooperation. We look forward to celebrating your child's birthday soon!

Sincerely,

MMA Team
