Due to Covid 19 our parish is experiencing financial challenges. We still have many expenses to maintain, such as heat, light, insurance, etc. Realizing this situation affects everyone and some more devastating than others, it can be a stressful time for families. Some parishioners have inquired about their Sunday Collection, anyone who would like to still continue your weekly collection you are welcome to do so and it would be greatly appreciated. For those who have contributed, Thank You So Much. We now have a few options for contributing. With the church opening up under Alert Level 2 guidelines we are now able to have 50 people come to mass on Saturday and Sunday. A collection box will be at the back of the church for you to drop you envelopes, you can mail your envelopes to the address to the left, you can drop your envelopes in the mailbox outside the office door, or you can now use Direct Giving through automatic debits from your bank account. see letter and authorization for attached for your consideration. If you drop your envelopes at the office door, please ring the doorbell to notify Helen at the office that it is there so she can pick up immediately. **Please refrain from depositing at the office door outside of office hours. Note office closed Friday July 31st & Monday August 3rd**

Recycling Fundraiser

We have a new recycling bin, thanks to Gail Richards and her family. It is placed next to the parish centre door in front of the building. We ask that you drop off your recycling in this bin on Mondays if possible. This will give Gail time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juice boxes, liquor bottles, beer bottles) not milk cartons,, soup cans or plastic containers. The beverage containers must be cleaned and caps removed as well. We got an email from the depot regarding this and we didn't get any credit for the containers in the bag. Thank you to all who are contributing to this fundraiser, it seems to be going very well. To date we have a total of \$408.95 in our recycling account.
