- Income limits are the TOTAL gross earnings of all persons in the household. Please refer to the Income Limit and Rental Rate Tables based on the size of home you wish to rent. There are homes at "market rate" which means there are no income restrictions, but there are also no rent restrictions.
- There are a limited number of homes in each price range; homes are rented on a first-come, first-served basis. Income Limits and Rental Rates are subject to change in accordance with the State income guidelines, utility allowances and Area Median Incomes. These changes CAN be made during the lease term and may result in rental rates being increased or decreased.
