3. Meana, M., Nunnink, S., **Forrest, T.**, & Bocchieri, L. (2001, March). *Perceived etiology of dyspareunia in college women*. Poster presented at the 29th Annual Meeting of the North American Society for Psychosocial Obstetrics and Gynecology, Waikoloa, HI.

Past Employment

- 2010-2014 **Consultative Examiner, State of Nevada Bureau of Disability Adjudication**
- 2004-2010 **Associate Psychologist/Civil Forensic Practice Coordinator (Lewis M. Etkoff, Ph.D. & Associates; Las Vegas, Nevada)**
- Preparation of records reviews, case summaries, and evaluation reports; coordination of case timelines and requirements with attorneys, case managers, and other referral sources; client evaluation (interview and administration of various psychological and neuropsychological tests to children, adolescents, and adults); preparation of various materials for legal, psychoeducational seminars, etc. presented to community and private agencies.

Pre-doctoral Clinical Experience

- 2003-2004 **Pre-doctoral Intern (The Taylor Clinic; Brownwood, Texas)**
- Adult and child psychological and neuropsychological assessment; group and individual classroom observation and evaluation; group presentations on various mental health issues; adult individual psychotherapy and biofeedback therapy; and crisis intervention.

- 2002-2003 **Intern Therapist (Community Counseling Center; Las Vegas, Nevada)**
Individual and group therapy (client issues included HIV / AIDS, anxiety, depression, and relationship concerns); court-mandated group therapy for individuals recovering from alcohol / drug abuse and typically after an arrest for DUI (driving under the influence); group therapy for one group of men (primarily homosexual) and one group of men and women (primarily heterosexual) concerning issues of living with HIV / AIDS.
- 1999-2002 **Intern/Assistant (Lewis M. Etkoff, Ph.D. & Associates; Las Vegas, Nevada)**
Child, adolescent, and adult psychological and neuropsychological assessment; compilation of records reviews in preparation for forensic evaluations; and preparation of various materials for seminars presented to community and private agencies by Dr. Etkoff and Michelle Carro, Ph.D.
- 2001 **Intern Therapist (Center for Individual, Couple, and Family Counseling; Las Vegas, Nevada)**
Individual and family therapy (client issues included anxiety, depression, relationship concerns, parent-child relational problems, communication problems, parenting skills, and decision-making and coping skills).
- 2000-2001 **Intern Therapist (UNLV Student Counseling and Psychological Services; Las Vegas, Nevada)**
Individual therapy (client issues included anxiety, depression, relationship concerns, parent-child relational problems, communication problems, and decision-making and coping skills).
- 1999 **Intern (Southern Nevada Adult Mental Health Services; Las Vegas, Nevada)**
Participation in intake examinations, assessments, and treatment teams for adult clients with chronic major mental disorders of varying severity.
- 1998-1999 **Intern (Desert Willow Treatment Center; Las Vegas, Nevada)**
Assessment and treatment of adolescent sexual offenders (ages 12-17) and children and adolescents with various major mental disorders (ages 6-17); oversight of the creation and implementation of an age-specific knowledge learning module and competency exam (completion of which was to be required of all mental health technicians); and production of a client-oriented monthly newsletter.

Instructional Experience

- 2004-2010 **Secondary Practicum Site Supervisor (Lewis M. Etkoff, Ph.D. & Associates)**
Supervision of UNLV doctoral students in clinical psychology with regard to orientation to office policies, procedures, and resources; monitoring and assisting with the administration, scoring, and interpretation of psychological and neuropsychological measures and report writing; and participation in daily supervision (as needed) and weekly group case supervision and educational seminars on relevant psychological and neuropsychological tests and conditions.
- 2002-2003 **Psychology 101 Instructor (University of Nevada, Las Vegas)**
Preparation and delivery of syllabi, lectures, and examinations; assignment of grades; and resolution of practical course administrative matters.
- 1998-2001 **Instructional Assistant (University of Nevada, Las Vegas)**
Delivery of lectures; administration and grading of examinations; maintenance of course grades; and grading course assignments.

Research Experience

- 1999-2003 **Research Assistant (University of Nevada, Las Vegas)**
Responsibilities in all research projects included the coordination and oversight of participant recruitment and data collection, entry, and analysis. Research project topics included:
- Malingering during forensic neuropsychological assessment (2002-2003)
 - Perception of facial and auditory demonstrations of emotion (1999-2001)
 - Women's health and sexuality (1999-2000)
