KIWANIS MEETING OF August 12th, 2019

Friendly folks and wonderful singers met today at the Black & Tan Grille as part of year 102 of the Downtown Green Bay Kiwanis Club. We dined on ham and turkey wraps, salad, and warm crunchy chips. Anne shared an appropriate prayer and then Anne found two songs that we all enjoy -- "Stodola Pumpa" and "The Packer Fight Song". We may hear that last one pretty regularly now that the games have begun!

Happy dollars came from treasurer Rick who found six happy dollars in an old pair of pants and Anne who rode the Zippin Pippin and the new Bay Beach ferris wheel. Maria announced that our club will be getting an award at the Kiwanis District Convention in Milwaukee on August 24. If someone can attend to shake hands and smile for pictures, please talk to Maria. She also reported that the dates for the Ashwaubenon club membership push have been changed to August 20-22. Volunteers will be welcomed with open arms.

For our program today, we reviewed applications for iPads from families with autistic children. We had about ten that went back to July 2018. Those applications received the most attention. In the end, we decided to provide three regular iPads to children in school and a mini-iPad for a three year old. This newsletter will provide additional details as the iPads are distributed. Many thanks to Maria for her work with this program.

Members in attendance today were Ann, Vince, Nancy, Maria, Emmet, Ruth, Brittany, Bob F., Rick, Dal, Bob R., and Anne. We were tickled to have Dal back from his six day Idaho River rafting adventure. He returned with high spirits and no visible injuries. His trip will be the subject of two meetings in September ... we can't wait to hear all about it!
