Floor Finishes and Sealers

010 ✓	TOP COAT 17% Solids, Emulsion type, scrubbable, buffable floor finish which dries to a hard, high shine. Maximum scruff resistance. Floors damp mopped and buffed many times will retain a good shine.
015 ✓	FLOOR SHINE 24% Solids. One coat = one & one half coats of standard finishes. Dries in ten minutes, ideal for floors that take hard use. This film is resistant to mild detergents used for normal damp mopping, retaining its high gloss. Resistant to discoloring. Can be polished with today's Hi-Speed Brushing equipment without breaking down, leaving a "Wet Look" shine.
020	MAX-ACRY FLOOR A long lasting metal interlock floor finish containing pure acrylic polymers, tough film forming resins, natural plasticizers and fluorocarbons. Detergent resistant, acrylicized floor finish requiring no buffing.
030	CONCRETE SEAL A penetrating protective seal for concrete, prevents dusting and moisture loss. Protects against the harmful effects of water, detergents, grease, oils, acids and solvents. Slip resistant.
035	FAST DRY SEAL Solvent type for any stone or concrete surface. Dries fast leaving an excellent luster on wood or metal. A long lasting protective coating.
040	TERRA SEAL Cures and seals. Penetrates the pores and maintains permanent protection. Acid and alkali resistant. Will protect the life of the floor.
050	FAST-COAT SEAL Undercoat wax or floor finishes. Protects and beautifies new or old floors. Easy to apply and maintain. Use on resistant and non-resistant surfaces, such as linoleum, tile, vinyl, asphalt, marble, terrazzo, etc. Not for use on unsealed wood floors.
055	ACRY-SEAL A modified acrylic resin with excellent clarity, stain resistant and non-yellowing properties. Seals decorative stone, concrete, brick and other masonry surfaces.
060	ONE STEP POLY CLEAN Cleans and polishes in one operation. For all types of flooring. Use over any of our floor finishes with ease. Spray a light mist, buff with a floor machine for a high gloss.
065	FINISH RENEW A floor maintainer for ultra speed buffing. A mop-n-finish restorer. A floor cleaner maintainer for use in automatic scrubbers.
070	CLEAR POLY GLOSS A high performance top coat. Exceptional gloss retention. Good flexibility. Takes rough treatment and is chemical resistant.

Cleaners & Strippers

075	SPEED-SO-CLEAN Cleans any washable surface with ease. Pleasant lemon sent. Removes oils, grease. Light or heavy build-up of old wax or sealers. A triple cleaner based on penetration, saturation and emulsification. May be diluted up to 200 to 1 in water. USDA APPROVED.
080	SANI-SO-CLEAN A combination of our best-selling cleaner "Speed So Clean" with our best-selling deodorant "Sani-Fresh", forming an excellent cleaner-deodorant combination. An outstanding maid and custodial cleaner and air freshener.
085	PINE CLEAN All purpose cleaner containing pure Pine Oil. This heavy-duty emulsion type cleaner is also an effective deodorizer.
095	FOAM CLEAN Ideal for use on vertical surfaces to quickly dissolve grease, oil and grimy substances from all washable surfaces. Conveniently packaged and ready for use.
10	FINISH REMOVER The perfect formulation for doing the most complete wax stripping and finish removal job, in the least amount of time. Attracts soil and locks it into suspension - re-emulsifies wax, polymer and resin build-ups, for easy pick-up and removal. No solvents, harsh materials or abrasives. Use on "Metal Interlock" or Detergent Resistant" floor coatings. An excellent "All-Purpose Cleaner" when concentration and water temperature are varied.
15	SEAL REMOVE Use on stone or concrete surfaces to remove permanent type, solvent-based sealers. This product is to be used full strength only.
20	BOOST High-powered solvent blend to be added to finish remover for use on very difficult stripping jobs. Helps break down metal interlock finishes and hard-to-remove waxes.
25	SATIN SHEEN An all-purpose neutral cleaner that leaves floors with a satin sheen. For use where a high shine is desired. Dilute this product with water and simply mop on terrazzo or marble floors. When floor dries, buff to a high shine.
30	GEL QUICK REMOVER A gel-type, heavy-duty emulsifier for quick removal of soil and finish or wax build-up, where a floor machine can't get Clings to vertical surfaces.
32	OVEN CLEAN A grease penetrating formula. For cleaning ovens, broilers, barbecue grills, etc.
35	B.G.F. CLEANER Loosens build-up of grease in minutes. Ready to rinse clean. For burners, grills, and deep fat fryers.
40	SPARKLE WINDOW GLASS Penetrates grease and grime. Non-streaking and resists finger spotting. Reduces wiping time - leaves all glass surfaces sparkling - Dilute 4 to 1 with water - Fast drying

Cleaners & Strippers

145	TILE CLEAN Cleans, deodorizes and effectively remove scale, rust, calcium deposits and other discolorations from bathroom fixtures, tile floors and walls. Non-fuming, pleasantly scented and mildly acidic. Keeps restrooms sparkling.
150	BOWL CLEAN Instantly removes scale, rust, calcium deposits and other stains from commodes. A milky white emulsion containing mild acids and deodorizers. Cleans and deodorizes in one operation.
155	AQUA BOWL Non-Toxic - Biodegradable. Helps stop rust, stains and water rings. Safe for children, pets, septic tanks and plumbing. Long lasting.
160	KREME KLEANSER A non-acid, bacteriostatic concentrate that stops germ growth by deep cleaning action, leaving a polymer protective coating. It scours - polishes and protects - free rinsing.
170	MOLD & MILDEW REMOVER A sure way to get rid of unsightly mildew and mold stains. For use indoors and outdoors. Acts on contact. Retards future growths of molds
175	T & M CONDITIONER A terrazzo and marble conditioner. A superior product designed to eliminate imbedded dirt and soap scum from terrazzo, marble and stone, by Safe Chemical Action.
180	LOW FOAM FLOOR CLEANER A low foaming - neutral cleaner, designed especially for use in Automatic Scrubbing Machines, of any make. An excellent cleaner that will not strip wax or harm floor finishers.
185	CRETE CLEAN Cleans rust and other stains from garage floors, patios, etc. Prepares new concrete for application of a sealer.
190	DE-CRETE Removes excess concrete from hard surfaces such as metals, ceramic tiles, construction tools and equipment. Inhibited to prevent corrosive actions on metals. In proper dilution, it will convert concrete into soluble salts.
195	RUST AWAY A milky acidic liquid that is designed to remove iron and calcium deposits from concrete and painted surfaces, from sprinkler systems. Will not harm painted surfaces when used as directed. Can also be used to remove rust and welding scale. It produces a hard, thin surface conditioner on steel that serves as an excellent base for paint to other coatings.

Our modern labs and trained chemist are equipped to solve your individual problems, feel free to discuss them with your representative

Carpet Care Products

205	SPEED CLEAN CARPET High sudsing for speedy cleaning of soil and grease from carpets. Extremely fast drying. Contains optical brighteners to restore original tone and color. This shampoo can be diluted with up to 128 parts of water for excellent cleaning. Maximum cleaning - minimum wetting - holds soil in suspension. Pleasant fresh-air-fragrance.
215	H. D. CARPET CLEAN Heavy-duty fro use in all water extracting carpet machines. Cleans deeply and completely with extremely short contact time. Quickly removes tenacious soils, heavy grease, imbedded dirt, previous shampoo residue and many other stubborn stains. Leaves no residue. Contains optical brighteners and anti-foaming agents.
217	CITRUS CARPET MAINTAINER Carpet Cleaning - Upholstery Cleaning - Spot Cleaning - Traffic Lane/Bonnet Cleaning. For traffic areas requiring very short drying time. Penetrates and loosens dirt from carpet fibers. Contains a Malodorant - leaves the carpet & room with a FRESH-CLEAN CITRUS FRAGRANCE. 100% ORGANIC FORMULATION.
230	REPEL A repellent for the protection of carpets, upholstery, bedspreads, draperies, clothing and other fine fabrics. Odorless, colorless formulation which guards against most spots, stains and soiling. It will not change color, feel or appearance of the fabric. Cleans easier, lasts longer and look better.
235	FOAM AWAY For the suspension and prevention of foam in aqueous systems. Used in soil extracting carpet cleaning machines. Highly efficient in acidic or alkaline solutions.
240	CARPET STAIN AWAY Protein type stain remover. Ready to use - no mixing. Just apply - blot dry - stain disappears.
245	PRE-SPOT A new concept in pre-spotting carpets prior to shampooing. For spots and traffic lanes. Works with any cleaning method. B-4 may be used with the bonnet cleaning system. No other product required.
250	STAIN FREE A ready to use remover for carpets and upholstered furniture. Use on lipstick, tar and grease. Non-flammable.
255	ODOR GON Effectively removes objectionable odors from carpeting, rugs and rooms quickly and thoroughly. A non-dusting formulation incorporating a malodor counteractant fragrance proven successful.

Hand Soaps

260	COCONUT A mild, neutral liquid hand soap containing pure coconut oil and glycerine to produce excellent abundant suds. Equally effective in hard and soft water. Leaves hands soft.
262	PEARL A highly concentrated, pearlized, pleasantly scented, lotionized, mild liquid hand soap. Leaves hands soft and clean. Will not irritate even the most delicate skin. Produces an abundance of lather.
264	ISLAND PINK Pink lotion soap, pleasantly scented and lotionized for the most delicate hands. Also in the prevention and relief of chapped hands. We recommend this soap for use in hospitals, nursing homes and restaurants. Highly concentrated. Will not irritate even the most delicate skin. Abundant lather.
266	CITRUS CLEAN Industrial type hand cleaner that's mild enough for the ladies. Pleasant citrus fragrance. Removes paint, ink, grease, oil, asphalt, grime, gum, resins, glue, lipstick, etc.

Polishes

270	LEMON POLISH Pure lemon oil polish for the finest furniture. Cleans, rejuvenates and preserves. Has a delightful odor and leaves a dry, greaseless surface.
272	TEAK & WOOD RESTORER Dressing for all wood paneling and furniture. Excellent on teak flooring and trim on boats. Restores the natural color and maintains it for months. Removes grease, wax, dirt, water marks and repels dust. Hides scratches and blemishes. Reduces warping, cracking, shrinking and loss of moisture in wood. One treatment lasts for months.
274	SCOTT'S LIQUID GOLD Cleans and restores wood to its original hue and color. Preserves and beautifies. Cleans and polishes stainless steel.
278	SS POLISH Stainless steel and aluminum polish. Leaves all surfaces clean. Shining and with a protective film which resists marking, soiling and dust pick-up. Non abrasive.
280	METAL CLEAN Abrasive type metal polish for all medals. Similar to Brasso.
281	WRIGHTS BRASS POLISH Enjoy a rich warm glow of brassware. Also for use on copper, chrome, stainless steel and pewter.
283	ALL PURPOSE CLEAN & SHINE Removes spots, marks, fingerprints, grease, film and watermarks. Use on formica, wood, stainless steel, brass, chrome, aluminum, copper, and other hard surfaces. Just spray on and wipe off.

Dishwashing Products

290	LIQUID PINK DISH A lotionizer concentrated detergent for hand washing of dishes, glassware and pots and pans. We guarantee this will detergent will cut the toughest dirt and grease while being kind to the hands.
292	ECO-DISH Our economy dish and glass wash detergent. Easy to use and mild to the hands.
294	BEST DISH Our best quality, long lasting hand dishwashing detergent, ideal for pots and pans, dishes and glassware.
296	LEMON XTRA DISH An extra-sudsy liquid Dishwashing, concentrated detergent. Hand wash dishes and glassware in hot - cold - soft or hard water. Contains emollients to soften and soothe the hands. Contains no caustics or alkalies. Suds stand up and hold grease and oils in suspension longer. Cleans and rinses - fast.
297	SPECIAL GLASS WASH A low foaming detergent for use with brush-type glass washing units. Work in hard water. Mild to the hands.
298	CHLOR. MACHINE DISH For automatic dishwashing machines. Powerful and efficient enough for the toughest baked-on deposits and stains.

Dishwashing Products

90	LIQUID PINK DISH A lotionizer concentrated detergent for hand washing of dishes, glassware and pots and pans. We guarantee this will detergent will cut the toughest dirt and grease while being kind to the hands.
99	SANI-GLASS Provides active chlorine to sanitize dishes, glasses and utensils in low temperature dishwashing operations. Use in final rinse.
00	RINSE AWAY Will dry dishes and glassware spot-free in all automatic machines, sparkling clean. Saves time and labor.
00A	LOW-TEMP DISH For liquid feed systems - Will handle the toughest baked-on deposits and stains.
00B	LOW-TEMP RINSE AWAY Dishes and glassware dry spot-free and sparkling clean. For use in low-temperature systems.
00C	SIMPLE SOLUTION SANI-TERQ Detergent/Disinfectant. Designed specially for Hospitals, Nursing Homes, Schools, Food Processing Plants, Food Service Establishments and other institutions where housekeeping is prime importance. Positive Bacterial control. E.P.A. Registered. U.S.D.A. Approved.
01	PRE CLEAN For pre-soaking silverware & flatware to remove dried on soils: Low Foaming.
02	LIME-AWAY Descaler - excellent for the removal of rust, scale, hard water and organic deposits from iron, steel, copper, bronze and brass. Can be used by immersion or by circulation. Non-flammable, non-fuming, non-irritating, non-explosive. Contains inhibitors. Safe.
03	PRE-CLEAN For pre-soaking silverware & flatware to remove dried on soils. Low Foaming.
04	CHLOR-MACHINE DISH POWDER Excellent for the removal of coffee and tea stains from plastic and china.
05	POT AND PAN POWDER Every kitchen needs a dependable detergent capable of taking care of all types of heavy grease and food commonly found on cooking utensils, pots and pans. Specially formulated to accomplish that tough cleaning job - fast.
10	SANI-TAB Sanitizer for glasses and dishes. (100 tablets per bottle - 6 bottles per case.)
11	SOLID PRE-SOAK Low foaming pre-soak safe for all metals. For use in Solid Feed Systems.
12	SOILED- MACHINE DISH DETERGENT Powerful & efficient enough for the toughest baked-on deposits an stains. For use in Solid Feed Systems.
13	METAL-SAFE DISH DETERGENT Completely safe on all metals, such as aluminum and pewter.
14	SOLID H. D. DETERGENT Our dependable Pot & Pan Detergent, specially formulated for use in Solid Feed Systems.
15	ALL PURPOSES For use on floors, walls, tables, etc. Use in Solid Feed Systems.

Laundry Products

318	PRE SPOT For use on most oil and water based stains. Spray on or soak
319	CITRUS PRE-SPOT 100% Organic Formulation. Degreasers and deodorizes. Emulsifies instantly to penetrate and liquify many different types of resins and grease.
320	H. D. LOW FOAM LAUNDRY A heavy-duty, low-foaming, powdered industrial laundry detergent. Removes the heaviest dirt from white and colored materials.
322-24	TIDE - 18 LB. & 36 LB. CARTONS Proctor and Gamble's proven detergent. A powerful formula to handle tough greasy soil.
325	LAUNDRY NEUTRALIZER A blend of water soluble acids. Neutralizes the alkalinity and acids in complete rinsing of loosened and suspended soil. Use in final rinse.
326	H. D. DRY BLEACH Industrial strength for fast stain removal. Good bleaching and soap regeneration.
327	COLOR BRITE BLEACH Color-safe bleach. Safely removes stains and helps keep colors clean and bright.
327A	NEUTRALIZE Neutralizes harsh alkalinity in final rinse. Strips harsh chemicals from liners.
327B	SOFT N FRESH (POWDER) For soft and fresh smelling laundry. Safe for all washable fabrics.
327C	RENEW-4 A 4-part system to rejuvenate Linens & Towels. Controls static electricity cling.
327D	SOLI-LAUNDRY DETERGENT For use in home type machines equipped with solid feed systems.
328	ON-SITE LAUNDRY DETERGENT Meets the needs of institutional and commercial on-premises laundries. Nonionic surfactants, selicated alkalies, soil suspenders and fabric brighteners. Operating temperatures from 110° to 140°F. Leaves clothes smelling clean.
329	STAIN REMOVER FOR CLOTHES A superior bleach for whites
330	FABRIC SOFTENER & BRIGHTENER Safe for all washable fabrics. Controls static electricity cling. Eliminates stiffening and fraying. Brightens. Rinses out suds and softens.
331	NUTRA-SOAP (LIQUID) A neutral pH laundry soap for bright colored synthetics. Ideal for laundry and uniforms.
332	SOFT N FRESH A blend of water soluble acids and fabric softeners, designed to be added to the laundry on the last rinse. Totally neutralizes the alkalinity and acids in the complete rinsing of loosened and suspended soils. Prevents re-soiling or souring. Leaves laundry soft and fresh.
333	SANI-SOFT A commercial fabric softener/sanitizer. Residual bacteriostatic and self sanitizer. Softens clothes. Controls odors caused by bacteria.
334	R.R. LAUNDRY Rust stains - wash away. Works like magic.
335	OXY-COLOR BLEACH (LIQUID) Color-fast oxygen bleach for colors.
336	LAUNDRY EMULS. Use in conjunction with laundry detergent for the removal of oil to grease from white and colored polyester, cotton fabrics, linens, tablecloths, work towels and wipes. Water temperature can be as low as 120°F.

Insecticides

340	BLAST A residual insecticide with BAYGON that outlasts all others in residual action. Kills resistant roaches, ants, and all other crawling insects on contact. For indoor or outdoor use. EPA REGISTERED.
342	CONTROL INSECT An insect spray for controlling flying insects. May be used for control of crawling insects, and where food safety is a problem, such as in kitchens, food processing plants, etc. ERA REGISTERED.
344	FOG SPRAY For indoor and outdoor fogging to control flying and crawling insects. Kills on contact. Use in any standard fogging equipment. EPA REGISTERED.
348	PEDICULOSIS Kills head lice, body lice, crab or pubic lice.
350	MOP-ON Odorless mop application insecticide. Mix with mopping detergent or with rinse water. Reduces stale odors and adds to skid resistance of floors. EPA REGISTERED.
352	QUICK KILL ANT Apply to the top of Fire Ant mounds for a quick-kill. EPA REGISTERED.
354	FLY-GONE Use where ever flies are a problem. Flies feed and die. Kills flies fast and provides residual control. EPA REGISTERED. May be used wet or dry.
356	GRANULAR BAIT (RAT) Kills Warfarin resistant rats. A cereal bait. For use in wet or dry areas. 2 ounce blocks. EPA REGISTERED.
360	RAT TRAP Non-poisonous glue specially formulated to glue rodents and insects more effectively. Better than poison or traps - once they are glued, they never escape. Easy to use - disposable. USDA APPROVED.
362	NO ROACH A powdered, odorless insecticide that really kills roaches and prevents reinfestation for months. Easy to use - economical - long term action. Kills Roaches, Ants, Waterbugs, Silverfish and Palmetto Bugs. 99% Boric Acid Powder. EPA REGISTERED.
364	NO ROOST Bird Repellent Paste - concentrated in 10 inch caulking gun cartridge. Keep birds off their landing strips.

Lawn & Turf Chemicals

370	WEED NON SELECT Non-selective contact weed killer and semisoiil sterilizer. Kills most vegetation on the first application. EPA REGISTERED
378	DEW -A-WAY / DEW GONE Inhibits dew formation.
384 386	LIQUID FERTILIZER - 16 - 4 - 8 LIQUID FERTILIZER - 6 - 6 - 6 A complete liquid fertilizer for use on all types of lawns, trees, flowers, shrubs and house plants. Source of primary plant nutrients - Urea - Ammonium Polyphosphate and Potassium Chloride.
388 390 392	GRANULAR FERTILIZER - 16 - 4 - 8 GRANULAR FERTILIZER - 6 - 6 - 6 GRANULAR FERTILIZER -20 -4 -8 These products are a combination of vital primary nutrients compounded in such a way so as to encourage deep roots and spread of grasses to fill in bare areas. These formulations are prepared especially for turf grasses and have both quick releasing and slow, long lasting nutrient compounds.
394	MICRO NUTRIENTS A formulation of essential micronutrients chelated with Lignin Sulsonate. Designed for folier application to correct and prevent iron manganese defiances on turf grasses, ornamental plants and vegetable crops.

Disinfectants - Deodorants & Mildewcides

400	ODOR GON Enzymelike odor killer. Kills odors by destroying odor causing organic material. Use in hospital rooms, animal pens, trash rooms, septic and sewer systems, ponds and lakes.
402	PINE 80 Contains pure strain distilled Pine Oil which self-emulsifies immediately upon contact with water. Cleans and deodorizes floors, walls, toilets, garbage cans and trucks.
404	PINE 35 Same as above - with a lower percentage of Pine Oil.
406	WINTER FRESH Concentrated for the deodorizing of toilets, urinals, restrooms, trash areas, card rooms or anywhere unpleasant odors exist. May be sprayed into air conditioning air returns for quick, even dispersal.
408	D-MINT For deodorizing garbage areas, restrooms and areas where odors are uncontrollable. Keeps flies away and keeps maggots from forming. Highly concentrated to last and last.
410 411 412	QUART-SOL - Use 2 ounces per gallon of water - 1 : 64 QUART-SOL - 128 - Use 1 ounce per gallon of water - 1 : 128 QUART-SOL 256 - Use 1.2 ounce per gallon of water - 1 : 256 Proven "one-step" quaternary disinfectants - cleaners - sanitizer - fungicides - mildewcides and virucides, for use on hard, non-porous surfaces. EPA REG. Color-fast oxygen bleach for colors.
414 416 418	ELIMI-CEDE - WILD CHERRY ELIMI-CEDE - CITRUS ELIMI-CEDE - SPRING GREEN A malodor counteractant - eliminates offensive odors in all interior areas. Use on any non-porous surface. May also be used in Wick deodorizing devices. For domestic, public and industrial uses.
420	SPRING FRESH Air freshener and deodorizer. Use where mold and mildew are a problem. May be added to carpet shampoo.
421 to	SPRING Deodorant Concentrate. For general household, public & industrial use. Spray into air conditioner returns for quick dispersal. Add moping solution.
422	SANI-FRESH Our best-selling deodorant-disinfectant combination. Fresh lemon-type, long-lasting fragrance. Positive bacteria control. EPA REGISTERED.
424	ROOM FRESH Removes unpleasant odors from smoking, cooking, garbage, etc. Freshens the air. Cherry, Lemon and Pine Fragrances.
425	BABY FRESH A concentrated deodorant for use of wherever unpleasant odors exist. Use in Rest Rooms and other public assembly places. For residential, institutional and industrial premises.
426	CHUTE CLEAN Cleans and deodorizes garbage chutes. Just dilute with water and spray or pour down chutes. Inhibits clogging and sticking of trash in chutes.
428	GRAN-MINT Granular, all purpose deodorant. Quickly absorbs liquid and solid residues and odors. Deodorizing action starts immediately.
430	NO ODOR RUG & ROOM DEODORANT Effectively odor-cleans objectionable odors from carpeting and rooms quickly and thoroughly. In powder form. It incorporates a malodor counteractant fragrance. An anti-static, non-dusting formation.
431	ACCI-ODOR Super absorbent. Formulated for odor accident. Vomit - food spills - incontinency and other malodor sources. Instantly gels and binds for quick and easy removal. Instantly deodorizes ,covers, and neutralizes. Biodegradable - Non-Toxic.

Industrial Chemicals

10	SAFE SOLVE Fast drying for safety cleaning and degreasing electric motors and equipment, industrial panels, printing equipment, typewriters, etc.
12	SUPER SAFE SOLV No Flashpoint, faster drying, no residue solvent. For degreasing electrical motors and equipment.
14	ELECTRA CLEAN For safe cleaning and degreasing of electrical motors and equipment, but slower drying.
16	MOISTURE OFF For putting a moisture barrier on electric motors and equipment. For use where dampness is a problem. Aids in starting ignition systems.
18	ALUM BRITE Cleans and brightens aluminum trucks, equipment and aluminum parts of air conditioning units. Makes them look like new. Also for use on pots and pans.
20	RUST GONE A metal primer - NOT A PAINT - Stops rust. Prepares rusty surfaces for painting. Safely dissolves bleeding rust from painted surfaces.
22	COIL RENEW Degreases air conditioning coils and permanent filters. A wide degree of dilutions makes it suitable for many uses.
23	COIL CLEAN Non-acid. Self-rising. In place coil cleaner. Non-polluting - Biodegradable - Non-residual.
24	COIL DE-CARB Quickly removes calcium carbonate and other deposits from inside of air conditioning coils.
26	QUICK N SAFE Safely and quickly removes all deposits from inside of air conditioning coils. Non-fuming and nonirritating. Safe and efficient.
28	CRETE RELEASE Concrete form release. Prevents concrete from adhering to formed, window frames and door bucks. Forms a transparent coating which may be easily removed.
30	CRETE GONE Fastest acting concrete remover in industry. For use on concrete trucks and construction cleanup. Brush it on, flush it off.
32	PAINT REMOVE Quickly removes all paint, including epoxies. Brush it on watch it work. Flush it off with water in minutes.
34	(REGULAR) QUICK PAINT AWAY Quickly removes oil and water-based paints. No dilution necessary. Brush it on, flush it off.

The Laboratory Qualified Chemist personally analyze your individual needs and formulate the specific products for your requirements.

Drain and Sewer Products

470	LIQUID CLEAR DRAIN The purest virgin Sulfuric Acid available. Clears stoppages in drains, sewer lines and sinks by dissolving all organic matter.
471	RE-NEW FUMELESS DRAIN OPENER Non- fuming • Ready to use • Will not harm plumbing
472	CLEAR N FAST Clears grease traps and sewer lines fast and efficiently. Excellent grease cutter and deodorizer.
474	LIQUID ENZYMES CONCENTRATED A bacteria-enzyme concentrated that clears and prevents clogged, smelly, sluggish traps and drains. It liquifies wastes and solid grease naturally and organically.
476	SEWER SOLVE GRANULES High pH with aluminum added for use in opening sewers by quick action to grease and other organic matters that cause stoppages. Produces the not-test, fastest alkaline reaction known.
478	ANTI-ZYME POWDERED A balanced blend of activated enzymes and aerobic and anaerobic bacteria. Formulated for the digestion of liquification of organic waste. Non-caustic and Non-acidic.

Auto and Marine Products

480	STREAKLESS CARWASH Highly concentrated - super foaming - dries streak free. Cuts grease, grime and road film without affecting the finish. Contains no soap to dull the finish and will not affect Acrylic or Melamine finishes. For use in high pressure machines or hand car washing.
482	SUPER SHINE TRUCK Similar to Car Wash, heavier duty.
484	CAR CLEAN Quickly removes rust and sooty accumulations on automobiles that have been in storage or transit.
488	RENEW Mat and tire rejuvenator. Quick drying, excellent gloss and long lasting.
492	NEUTRA-MAG Use to thoroughly neutralize Mag Clean.
494	VINYL CLEAN Dilute with 20 parts of water for fast, efficient cleaning job on vinyl upholstery and trim.
496	VINYL RESTORE Restores new look to vinyl tops and interiors. No dilution necessary, extra long-lasting.
498	VINYL SEAL Seals and conditions car's interior and exterior finished leather, vinyl, plastic, rubber and sealed wood. Repels dust, dirt and makes surfaces static-free. Protects against ozone, oxygen and ultraviolet rays.
500	RUG & UPHOLSTERY CLEANER - DRI-FOAM SHAMPOO Cleans auto rugs and upholstery to appear like new. Dilute with 16 parts of water for marvelous cleaning results.

Auto and Marine Products

02	WASH WITH WAX AUTO Clean and wax cars in one operation. Leaves a wax-like appearance and a protective coating.
04	CARBO CLEAN N STRIP Cleans and strips carburetors and generators. Fast acting. Soak parts in Carbo Clean N Strip and you'll be amazed by the results.
06	ENGINE CLEAN Dilute with 8 parts of Kerosene or Mineral Spirits, wipe on engine, then flush with water.
10	ENGINE DEGREASER Dilute with 20 parts of Kerosene or Mineral Spirits, wipe on engine, then flush with water. We guarantee the best results with this product.
12	H. C. STEAM CLEAN Highly concentrated for the most effective results possible. We guarantee the results in whatever steam cleaning machine you use.
14	PRESSURE WASH H.C. PRESSURE WASH Highly concentrated, for use in any size type of pressure washer.
16	NO DILUTE GREASE N TAR REMOVER Removes tar, asphalt and grease quickly from cars, trucks and tools. No dilution necessary.
18	TAPE REMOVER Slow drying solvent blends designed for removing old masking tape, decals and adhesives.
22	CLEAN N POLISH Cleaner and polish for use where paint is dull. Does not require compounding. Leaves a long-lasting wax shine.
28	CAPTAIN'S PRIDE Removes scum quickly and efficiently. Works equally well on wood and fiberglass. May also be used on vinyl upholstery.
30	BARNACLE CLEANER Attacks barnacles with strong chemical action. Removes rust and algae at the same time. No dilution necessary.
32	B-N-B CLEAN Cleans and deodorizes with fast, efficient action. Pour enough into bilge to mix with existing water, or add water to bilge, flush with a hose and drain off.
34	FIBERGLASS N TEAK CLEAN Rust remover, aluminum brightener. Excellent for removal of dust and stains from fiberglass boats. Cleans teak wood with ease.
36	PENE-LOOB For putting a moisture proof barrier on electric motors and equipment. For use where dampness is a problem. Acts in starting of ignition systems.
40	NBC - NON-BUTYL BILGE & BARGE CLEANER Cleans and deodorizes in one operation. Add to water in bilge, flush with a hose and drain off.

Degreasers

550	BLUE MAGIC For degreasing, where a water soluble product is required. Use on kitchen range, hoods, floors, walls, ovens, range hood filters and on jobs where grease is a problem. Emulsifies grease on concrete, engines, tools and other equipment. USDA APPROVED.
552	N B C SOIL-N-GREASE Effective against a wide variety of soils and greases. Water based - Biodegradable - No harsh solvents or abrasives - sequestered against hard water - contains a rust inhibitor - rinses easily with water. USDA APPROVED.
554	DEO-SAN Degreases and disinfects sewer lines, garbage areas, garbage trucks, septic tanks, etc.
562	FAST ACT DEGREASER USDA APPROVED. Our fast acting, economical, heavy-duty degreaser for a wide variety of cleaning needs.
564	1 STEP CITRUS 100% organic formula - 1 step degreasing and deodorizing - emulsifies instantly in water to penetrate and liquify many different types of resins and greases. USDA APPROVED.
570	XTRA DUTY Extra-heavy duty ammoniated - water soluble - STRIPPER & DEGREASE. For use on Heavy Grease, Oil, Solid and Liquid Deposits.

Swimming Pool Products

600	LIQUID CHLORINE - CHLORO-GUARD For swimming pool chlorination. Maintain available chlorine residual. EPA REGISTERED.
602	MURATIC ACID For use in pools to properly balance pH.
604	AQUA KLEAR 100 - POOL ALGAECIDE A broad spectrum microbicide concentrate for use in pools and water fountains for the control of algae. EPA REGISTERED.
606	H T H - 100 LB. DRUMS Dry chlorinating granules for swimming pools. 65% available chlorine. Water treatment agent - Bactericide and Algaecide. EPA REGISTERED.
608	HICHLOR 90 - POOL GUARD - 10 LB PAIL Chlorinating granules - dissolves quickly and completely. Holds available chlorine longer. EPA REGISTERED.
610	DIATOMACEOUS EARTH - 50 LB. BAG Volcanic ash - swimming pool filter powder.
612	SODA ASH - 100 LB. BAG For use in adjusting pH in swimming pools.
614 615	CHLORINE TABLETS 3" SIZE - 25 LBS. CHLORINE TABLETS 3" SIZE - 40 LBS. Slow dissolving chlorination tablets designed for use in floating or auto chlorinators. 100% soluble - for sparkling pools. EPA REGISTERED.

Water Treatment Chemicals

00	AQUA COOL A synergistic combination of an acrylate silicate and phosphorous compounds. It is recommended as a single product treatment for cooling water and industrial process water. Protects ferrous and non-ferrous surfaces from corrosion and inhibits the formation of mineral scale.
02	ALGAE KLEAR AQUA A broad spectrum microbicide, polmetric quarterly ammonium concentrate, ready to use. Especially effective in controlling algae, iron, bacteria and other slime forming microorganisms that contribute to the biological fouling of cooling towers, heat exchangers, water storage tanks and other fresh water systems. It can be used in both acid and alkaline systems. Unlike other quaranaries, it dose not cause foam. It is non-volatile and is not lost by evaporation.
04	PREVENT Prevents corrosion in Hot & Cold water close circulating systems. Biodegradable & Non-toxic. Add through feed pots.
06	WATER TREATMENT OX-BAN A non-phosphate, chromate corrosion and scale inhibitor for use in boiler water. It is recommended as a single product treatment to control mineral scale and organic fouling. It protects both ferrous and copper alloy surfaces against corrosion. It penetrates, disperses and removes previously formed scale and deposits. It also is active in condensate return lines.
08	CHILL WATER TREATMENT A non-phosphate, chromate corrosion and scale inhibitor for use in chill water systems. It combines anionic and nonionic dispersants with corrosion inhibitors that deposit a thin protective barrier on both ferrous and copper alloy surfaces. Its use in chill water systems makes it unnecessary to control scale any acid addition. USDA APPROVED.
10	STEAM N FILM A controlled blend of filming amines designed to inhibit corrosion and mineral scale, in boilers and return lines. Vaporizes with the steam and travels though the system coating all surfaces with a film.
4	SCALE AWAY A very active material that quickly dissolves mineral scale and oxygenation build-up. It contains an inhibitor which makes it non-corrosive to metals.
6	BOILER NO SCALE A blend of inhibited acids for the removal of mineral
8	pH CONTROL LIQUID Used with chromate tower treatment. This product controls pH, thus preventing scale formation.
0	NO-FOAM A concentrate developed for the suspension and prevention of foam in aqueous systems, industrial processed water and plant effluents. May be used in Hot tubs and Water Fountains.
2	EXTERNAL COIL CLEAN & REMOVE A quality product for the cleaning of exterior coils in air handlers, that will completely remove sludge, smuck and slime. Can be used with pressure cleaner and other systems.
4	COIL NO-SCALE Quickly removes calcium carbonate and other deposits film inside of sir conditioning coils.
6 7	ALGAECIDE POWDER - 40 LB. PAIL ALGAECIDE POWDER - 10 LB. PAIL A board spectrum of microbicide concentrates.
0	ALGAE TABS A specially formulated non-corrosive tablet containing QuatNAmo, a water purification ingredient designed to remove slime, algae and fungus build-up in pans, trays and tubes of air conditioning units. Sterilizes water. Eliminates labor. EPA REGISTERED.
2	ACTION TABS Prevents water overflow and damage from air conditioner and air handle pans. Patented self-metering pouches protect for months - assure automatic maintenance.
4	ANTI-CLOG Computer Anti-Clog Units, control, inhibit and deodorize slime growth. Automatic feeding. Controls bacteria growth and inhibits pan corrosion.
6	FT/C UNITS Anti-Clog. Total drain pan protection. Designed for hard to reach air conditioner pans. Keeps drains clear, prevents water level build-up. Eliminates odor sources of slime and bacteria waste. Inhibits corrosion build-up.

Aerosol Products

3000	CLINDO Ammoniated glass cleaner - 101 uses - all purpose cleaner. Works like magic.
3005	SATIN GLO Furniture polish with lemon.
3010	VANDALISM REMOVER Gel-type for removing all kinds of vandalism marks from hard surfaces. Holds to vertical surfaces.
3015	3M TROUBLE SHOOTER Cleaner for removing soil and wax build-up. Heavy-duty for baseboards, ceramic wall tiles and other hard to get at areas. USDA APPROVED.
3020	GERMICIDAL CLEANER Multi-purpose, foaming action, powerful cleaner. Disinfects as it cleans, Inhibits mold, fungus and mildew. EPA REGISTERED.
3025	EASY-OFF OVEN CLEANER Advanced grease penetrating formula with anti-fume system, lemon scented.
3030	METAL BRITE Cleans easily - Polishes brightly - Prevents and Protects.
3035	3M STAINLESS STEEL CLEANER Cleans and polishes in one operation. Leaves no grease film. USDA APPROVED.
3040	SHIMMER METAL POLISH A product of National Labs. A multi-purpose cleaner - polish for stainless steel and other shinny surfaces. Quickly, easily, effectively polishes, protects - cleans and brightens.
3045	ARGOSHEEN Spot remover for carpet and upholstery cleaning. For those hard to handle spots.
3050	GUM REMOVER Removes chewing gum and candy wax with quick freezing action.
3055	DUST MOP TREATMENT Spray on dust mop or dust cloth. Removes from film any surface. Prevents dust from scattering. Use wherever dust collects.
3060	TOUCH-UP A general purpose, foam-type cleaner containing special soil removing agents. For use on any surface not affected by water. USDA APPROVED..
3065	BEL-AIRE Air freshener - Room Deodorizer. Eliminates offensive odors in all indoor areas. Leaves a refreshing fragrance.
3070	Lemon-Aire Air freshener - Room Deodorizer. Refreshing lemon fragrance.
3075	LYSOL A product of National Laboratories. Disinfectant spray - eliminates odors. Kills mold and mildew. EPA REGISTERED.
3080	HOSPISEPTIC Air sanitizer - Surface Disinfectant - Deodorant. Destroys odor causing bacteria on environmental surfaces. Bactericidal - staphylocidal - Tuberculocidal and fungicidal. For hospital use on germ-laden surfaces. EPA REGISTERED.
3085	ROACH & ANT SPRAY Kills crawling insects. Long lasting residual action. Economical to use. EPA REGISTERED.
3090	ANTI-CRAWL SPRAY USDA APPROVED A residual insecticide with Baygon Propoxur. Kills ants, roaches, spiders and certain other crawling insects. EPA REGISTERED.
3095	NON-TOXIC INSECT SPRAY Kills fleas, ticks, flies, mosquitoes, ants, roaches, gnats and silverfish. For use in hospitals, schools, restaurants, bakeries, hotels and food plants. EPA REGISTERED.

Aerosol Products

3100	EXTERMINATOR BUG BOMB One spraying kills exposed stages of flies - mosquitoes - gnats - moths - wasps - roaches - earwigs - grain mites - sowbugs - spiders - centipedes - and ants. LOCK VALVE FOR CONTINUOUS SPRAYING. EPA REGISTERED.
3105	WASP & HORNET SPRAY Just aim and spray. Kills wasps, hornets, and yellow jackets. Fast knock down. Shoots a 10-foot blast of killing spray. EPA REGISTERED.
3110	INSECT REPELLENT Repels Mosquitoes, Chiggers, Ticks, Deer Flies, Stable Flies, Black Flies, Gnats, and Fleas on exposed skin surfaces. EPA REGISTERED.
3115	MOTOR DEGREASER Motor degreaser and equipment cleaner. Cleans grease, dirt and grime from metallic and non-metallic surfaces. Cleans electrical contacts, tuners and circuits. Quick, easy way of dry cleaning. USDA APPROVED.
3120	SILICONE SPRAY All purpose stainless dry lubricate. Stops squeaking, sticking, binding and retards corrosion. For car or home.
3125	LOOB Prevents rust - Loosens nuts and bolts - lubricates - cleans - prevents corrosion - A quick acting chemical spray.
3130	CONTACT CLEANER Removes static from carpets and areas where static is a problem.
3140	BELT-DRESSING Prevents slipping of drive belts on motors, pumps and equipment.
3150	DRI-MOLY High temperature lubricant and anti-seize compound.
3155	IGNITION SPRAY A non-flammable, all purpose mechanic's spray. Displaces water in wet electrical systems.
3160	CHOKE & CARBURETOR CLEANER Cleans and frees-up carburetors and chokes without dismantling or disconnecting lines.
3165	ANTI-SEIZE Prevents seizing, galvanic action, pitting and tread distortion.
3170	SKIN SHIELD An invisible protective coating. Lets your skin breathe. Easy to apply - even under fingernails. Contains lanolin - washes off with soap and water.
3175	CHAIN & CABLE LUBE Penetrants, anti-oxidant, oils and grease plus Molybdenum Disulfide to provide excellent lubrication and rust prevention.
3180	CUTTING & TRAPPING FLUID All purpose lubricant and coolant. Increase production rate and tool life.
3185	BATTERY TERMINAL CLEANER Non-flammable spray cleaner and protectant. Removes corrosion buildup. Prevents damage to cables and terminals. Prolongs battery life. Has built-in corrosion preventative.
3190	RED SPRAY GREASE Penetrating liquid, lubricants and rustproofs. Air cures to a resistant grease.
3195	WHITE SPRAY GREASE A multi-purpose, high quality. Lithium-based grease.
3200	BRAKE PARTS CLEANER Removes brake fluid, grease and oil. Stops disc and brake squeal.
3205	PIPE INSULATION Stop condensation dripping from cold surfaces. Durable - flexible and water resistant.
3210	ACU-TILE BRITE (White) Reconditions and rejuvenate Acoustical Ceiling Tiles, without affecting acoustic properties. Non-flammable when dry. Eliminates costly tile replacements. Covers water stains, smoke and soil discolorations.
