DIRECTOR'S NOTE:

Thank you for joining us! After many months of hard work and practicing, we could not be more excited to present this show to you. A big goal of children's theatre is to help them learn valuable skills, both for theatre and their everyday life. I am so proud of how much these kids have grown and mastered during this class. Parents, thank you for sharing your children with us. We, as teachers, have learned so much from them. This group is so loving, hopeful, independent, and helpful. These are all themes that I hope you can see shine in this production. Students, you are all so unique and special. You are all going to do amazing things. Thank you for all you have given me these past few months. To all in attendance, thank you for your support of this wonderful theatre. We are so grateful that you are here and hope to see you again. I hope that you enjoy this amazing show!
