INFECTIOUS DISEASE PRECAUTIONS

If you have one or more of the following influenza-like illness symptoms within 72-hours of class date, you should not attend and should contact your healthcare provider if needed.

Fever or chills, cough, new loss of taste or smell, difficulty breathing, headache, sore throat, diarrhea, shortness of breath, nausea/vomiting, congestion/runny nose, muscle or body aches, fatigue.

The American Safety & Health Institute (ASHI) strongly promotes knowledge and proficiency in all ASHI courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by ASHI. Any fees charged for such a course, except for a portion of fees needed for ASHI course materials, do not represent income to ASHI.
