About Camp Arrah Wanna

A year-round non-profit camp, conference and event center committed to the mission of:
“providing a beautiful, peaceful, and safe environment where people can experience the transforming power of love and find support through positive relationships and activities.”

Started in 1941, our work provides
a source of community, hope, and empowerment in a world where these things can be difficult to find
60+ diverse groups & 7,000+ campers call Camp Arrah Wanna (CAW) home each year:
public & private schools, community programs, non-profit resource centers, family & cultural gatherings, church camps, sports camps, worldwide service conferences, etc.

Some of the programs CAW hosts each year include:
Educational opportunities for our Mt. Hood community, a summer internship program, faith-based summer & winter youth & family camps, adult retreats, and more - where generations of campers have found long-lasting relationships and life-changing experiences for over 80 years

What We're Raising Funds For

Our fundraising goals are focused on ensuring CAW remains impactful for another 80 years by making it possible to host more people, continue offering spectacular services at reduced rates, and broaden the scope of our community impact & offerings. Although Camp's services and offerings have not wavered, accomplishing these core goals has become challenging due to multiple facility crises earlier this year. Your contribution to this event will directly support our efforts in recovering and rebuilding. Read more about these disasters on our website at www.camparrahwanna.org/giving
