

# 2018-2019 Phoenix Field & Obedience Club Awards Application Form

The purpose of PFOC's annual awards is to honor members who, with their dogs, have won obedience and other dog-related titles. The following policy is reviewed at least every 3 years. It shall be effective as of January 1, 2018.

## I. Qualifications for an award:

- A. The applicant must be a PFOC member in good standing.
- B. The applicant must be the owner of the dog or a member of the immediate family or household of the owner.
- C. The applicant must have trained and shown the dog in earning the title being applied for.
- D. An applicant must have earned an AKC Beginner Novice or more advanced obedience title or a Rally Novice title to receive the original plaque.

II. One free plaque will be awarded per dog. Plaques are wooden and display the PFOC logo. A metal plate engraved with the dog's registered name and breed will appear on the plaque.

III. After the applicant has qualified for the original plaque, in accordance with I-A through D above, the applicant may apply for engraved metal plates recognizing individual titles. These will include title name and date earned. All non-AKC awards will have the awarding organization's initials appear before the title (example: NADAC, USDAA, ASCA). Metal plates may be purchased at a cost of \$7 each.

IV. All applications for all title awards must be accompanied by a copy of the title-awarding organization's certificate or acknowledgement of the title. If you have not received the certificate yet, a list of the shows or tests in which the dog received credits for the title must be sent. If you are applying for awards for multiple dogs, please use one application per dog and include copies of all titles being applied for. Additional award applications are available in the PFOC newsletter and on our web site (pfoc.club).
