

WHO IS SHE

A face as lovely as yours,
should always wear a smile

A voice as sweet as yours,
should always have a song to sing

And when you walk, your feet
should never touch the ground

Eyes like yours,
would make a gypsy jealous

A smile like yours,
could steal any man's heart

Refined and dignified,
complete and self-composed

A nuance of majesty,
God's statement of beauty

SHE'S
