- **Three-year-old and Pre-K classes\*\*** engage in afternoon enrichment activities which are themed by the day of the week.

**Mondays - Sports and Games:** The week kicks off with our cubs participating in a spirited afternoon full of fun and games while learning the basics of several sports and playing traditional childhood games. No special equipment required, except sneakers and socks and a willingness to have a ball!

**Tuesdays - Wigglin' Wizards:** Our little curious wizards explore the world of science with plenty of hands-on experiments, forming hypotheses, and discovering their outcomes, creative crafts, and amazing scientific inquiries.

**Tuesdays and Wednesdays - In the Kitchen with Bradley Bear:** We'll be cooking up a storm, learning about ingredients, following directions and doing a lot of "sciencing" as we measure, mix, and pour. Oh, we'll also be doing a lot of yummy eating!

**Wednesdays - Bradley Bear's Creative Dance Company:** This semester class is offered in partnership with the [Bethesda Conservatory of Dance](#). Our dancing bear cubs will learn the basics of modern dance, ballet, jazz, hip hop, and more as they get ready to entertain us at their winter and spring recitals (Jan. 29 & May 14, respectively). Children enrolled in Tuesday/Thursday programming may participate in the Wednesday dance program.

**Thursdays - Where in the World is Bradley Bear?:** You never know where Bradley Bear will land, but you know he and his cubs will have fun in this geography-based program exploring different countries, their cultures, unique attributes, and foods.

**Fridays - Yogi Bears:** Yoga postures, practiced breathing, games, and relaxation will help our little Yogis recharge from their long school week and get them ready to start their weekend.

*\*\*Children must be fully potty-trained, as defined from the Parent Handbook, to attend the above classes.*
