Dear Parents and Carers

Year 6 SATs Booster Sessions

We are organising SATs booster sessions slightly differently this year. Rather than asking all children to attend all sessions we are inviting small numbers of children to attend sessions where we will address specific areas of need. Some groups have started to meet this week and other children will be asked to come along later in the term. Not all children will need to attend.

If you have any queries please don't hesitate to get in touch.

Yours sincerely

J. Stevens
