Relay for Life

The American Cancer Society Relay for Life movement symbolizes hope and the shared goal to end a disease that threatens the lives of so many people we love. If cancer has touched your life, participating in a Relay for Life event is a way to take action and help finish the fight. This is your opportunity to honor cancer survivors, remember those you have lost, and raise funds and awareness to fight back and help end cancer forever.

Country Creek's Picnic in the Park

May 14th ___ pm - 8 pm

The Country Creek Social Committee, along with the HOA, are working together to organize a Picnic in the Park on May 14th starting at ___ pm. There will be food, music and games.

We are in the process of trying to organize a **Battle of the Generation Bands** where we will have some of our own CC residents, young and old, play for us while picnicking at the park. If you are interested in playing music, please email us at the address above.

Food

We are still working out the details on the food. We may do food trucks or even a pot-luck.

Sponsors

We are seeking all realtors, business owners, and residents that would be willing to sponsor our picnic in the park. We are looking to raise about \$400 for band costs and other supply costs. A little bit will go a long way to get us rockin' in the park.

Donations

We are also looking for donations of cases of water and other paper products. Please contact us if you are willing to assist.

**To all sponsors & donators, please feel free to bring promotional signs, business stickers, and cards as we want to be sure to give credit to all those that help kick off our Picnic in the Park!!

EMERGENCY PREPAREDNESS MEETING

Please plan on attending a special Emergency Preparedness meeting on May 19th where one of our community members, Ed McCrane with _____ will discuss _____
