

The life we live in His truth makes us confident of a total and accepting welcome. So, let us rejoice as we earnestly anticipate His return.

29. Here is a summary of the basic Truth you already know and must ever hold on to:

♥ **God is All-Good and All-Righteous;**

♥ **His Divine Nature is Love – perfect, Total Love.**

♥ **In Him there is not the slightest trace of evil!**

Since Yahweh is Infinite Goodness and the Unlimited Source of all that is loving, merciful, and holy, all humans who participate in these qualities have relational union with the True God.

Yes, all mankind has received creative birth from God and all have been redeemed from mankind's self-idolatry and rebellion. But, to be reborn into God's Spirit one must personally repent. Repentant believers are begotten into the heavenly Sonship the Son of Man merited.

Apply what I have said and perceive whether you or your Community members are in and with the Lord. Only those who live lives of virtue by daily combat- ing the deadly sins which beset the world, are righteous sons of Yahweh. All others are anti- Chris- tian sons of Satan.
