Summer at Beginning Visions is in full swing! We have had so much fun with our students and have been busy playing and learning together! From field trip to farms, to fun pool days we are having a blast this summer! We even celebrated our pre-K graduation and had a wonderful time of fellowship with our parents and students!

Please remember, Beginning Vision's will be closed on Tuesday July 4th, in celebration of Independence Day! This is a great time to include in family discussions why we celebrate July 4th and why we have the freedoms we have today! We are so thankful for those that serve and have served to provide and secure those freedoms for us! Enjoy this time together with family and friends!

This month we took a lot of pictures and hope you enjoy them as much as we did!
