POLICY INFORMATION

Acceptance of any child at BBSMDD School is a decision of the BBSMDD trustees and faculty. Acceptance is based on the compatibility of the school, the parents, and the child.

Accurate and complete information relating to a student's special learning issues, emotional stability, or physical limitations should be disclosed during the application process. With such accurate information our staff can carefully and prayerfully evaluate how effectively we can meet the needs of each student.

Currently, we do not have a program dedicated to the needs of learning disabled or physically handicapped students. However, a student with these needs is not automatically denied admission.

Is there anything about your child – academically, physically, or emotionally – that we should be made aware of at this time? (Please mention any special evaluations or tests, recommendations or referrals.)

NON-DISCRIMINATION POLICY: BBSMDD School admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. BBSMDD School does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and financial aid programs, and athletic and other school-administered programs.
