Commission Room

The Commissioners of the City of Horton met for a special meeting on Tuesday, January 12, 2016 at 5:30 p.m. in the City Hall Commission Room.

Present: Mayor Lentz, Commissioners Krug, Stirton, Boller, and Edwards. City Clerk Kim Clausen and the Parks and Recreation Board were also present.

Review Seasonal Camping Rates at Mission Lake

Motion by Commissioner Edwards to increase the seasonal camping rate to \$175.00 (plus a \$25.00 early sign-up fee) for the 2016 season. Seconded by Commissioner Krug. All aye.

Review Electric Rates (both current and delinquent) at Mission Lake

The city will be installing electric meters at each camping stall at the lake. After the meters are installed each camper will receive a monthly bill from the city and will be billed residential rates. The camper will be subject to being disconnected or asked to remove their camper if bills aren't paid on time.

Rex West doesn't know for sure when all of the meters will be completed. It may be late in the camping season.

There were a significant amount of campers who didn't pay for electricity in 2015. Motion by Commissioner Boller for the city to make a courtesy call to those who didn't pay and give them a chance to pay by Friday, January 15th, otherwise their camping spot will be available at Lake Signups in March. Seconded by Commissioner Edwards. All aye.

Discuss the Lake Caretaker Position

The Commission and the Park Board all agreed that the city will post the contracted Lake Caretaker Position in the newspaper and interview candidates.

Motion by Commissioner Edwards to adjourn the meeting at 7:37 p.m. Seconded by Commissioner Boller. All aye.

Kim Clausen, City Clerk
