

ND ENVIROTHON

2021 TEAM REGISTRATION FORM

2021 ND Envirothon Competition

Dates: May 10, 11, & 14, 2021
 Location: Virtual (Quia for Trail Test and private Youtube links for oral presentations)
 Website: www.ndenvirothon.org
 Facebook: ND Envirothon

North Dakota Envirothon

From the Valley to the Badlands

2021 Topic

Water Resource Management:
 Local Control and Local Solutions
 We are limiting the competition to 25 teams. We will mail t-shirts to all teams prior to the event.

Competition Schedule:

May 10 12 am to 11:59 pm (24 hours) - online TRAIL TEST comprised of 4 separate tests (Soils, Aquatics, Prairie/Forest, and Wildlife) lasting 20-30 minutes each
 May 11 12 am to 11:59 pm (24 hours) - teams will receive a video presentation on the 2021 special topic and need to create a 10 minute presentation to upload to Youtube and share the private link (we are still trying to find a better way to share presentations)
 May 14 6 am: TOP 3 teams will be notified via email to prepare for a final LIVE virtual oral presentation
 May 14 7 pm - TOP 3 teams will present their 2021 special topic presentation virtually for judges and other schools to view (all schools are invited and encouraged to attend this event). We will award prizes to the top 3 teams and the top team from each of the 4 trail tests at the conclusion of the event.

Return this form by February 28, 2021 to ndenvirothon@gmail.com

Registration fee WAIVED in 2021

Water Resource Management:
Local Control and Local Solutions
We are limiting the competition to 25 teams. We will mail t-shirts to all teams prior to the event.

In addition to the **North Dakota State Envirothon Competition Rules and Regulations**, please note the following modifications for this year:

- Registration must be printed or typed and emailed to the North Dakota Envirothon Coordinator by February 28, 2021. Since the 2021 Competition is a virtual competition, the \$50 fee is WAIVED. Teams still need a Soil Conservation District to sponsor them.
- Late registration may not be accepted. We will only accept the first 25 teams registered. The top 6 teams from the Lewis and Clark Regional Competition are guaranteed a spot, but must register by the deadline or your spot will be given to teams on a wait list.
- Teams that paid the \$50 registration fee for the 2020 competition will be allowed to roll-over their registration fee to the 2022 competition.
- No meals or housing will be provided this year. ND Envirothon will provide t-shirts for 6 teams members (5 main and 1 alternative) and 1-2 advisors. These shirts will be mailed to all teams and must be worn during the oral presentation.
- Advisors CANNOT offer assistance during the competition except with accessing the online trail test or videoing and uploading the oral presentation.
- Teams are not to be in possession of cell phones, cameras or electronic devices during the test, except for the computer which teams are taking the test on. Electronics to video the oral presentation and computers for power point presentations are allowed for the oral presentation portion of the competition.
- Rules and regulations of the ND Envirothon are subject to change. More guidelines will be given to teams and advisors prior to the competition with regards to this new virtual format.
- The competition schedule is short and designed to mimic an in-person competition as closely as possible. Please set aside dates and times now for your team to complete the trail tests, oral presentation, and attend the awards ceremony and top 3 teams final oral presentation.
- Advisors and teams should watch for an updated Oral Presentation and Guidelines Document.
- Please complete the 2021 State Envirothon Competition Photo Release Form.
