A MESSAGE FROM WALK #126 LAY DIRECTOR

I was originally scheduled to go on my walk in November, 2002, but because my husband had to have emergency surgery, I wasn't able to go until the following April. My sister, Debbie, was my sponsor and was really disappointed when things got delayed. But she told me God had a reason and that I would go when the timing was right. I don't know why God wanted for me to wait, maybe I wasn't ready yet. All I can say for sure is that Walk #57 changed my life in ways I could never have imagined. I knew that I wanted to come back and work, become involved and share this gift with everyone who would let me. The past seven years have been an amazing journey. When my husband, Art, became ill a month ago, we were told that if he responded to the treatments, the recovery period would be very long. My stepdaughter knew about Walk 126 and told me then that God had brought me on this Emmaus journey and that I must complete it. She promised then that she would do whatever was necessary to help with her Daddy's care and make sure I was able to complete the journey. On January 14th, God took Art home and, once again, my life has taken another turn. We never know where life will take us but we have every confidence in the One who is in control of the journey. I am thrilled and humbled beyond words to be leading Walk 126. If you haven't signed up yet to chair or co-chair a work area, please consider coming whenever you can during the weekend and sharing the gift of agape love you experienced on your walk. Help be a part in changing someone else's life.

Please be in prayer for the women who have committed to be there and for the team members who will lead in the Conference Room. I thank you all for your continued love and support during these past weeks and covet your prayers for the days to come.

As walk #126 nears, it gets me to thinking about changes that can occur; with the pilgrims, with the conference room team and with the support team. I have witnessed God's grace work in each of these areas that I have had the honor to serve. As a pilgrim many years ago I saw God work in the lives of the people at my table as they came to understand God's love and grace. As for me, I did not "get it" until much later. But now I can look back and see how God's love and grace was trying to change me into the person He desired me to be, had I only allowed it. As a member of the support team, from washing dishes to serving meals to working in refreshments, I have witnessed the grace of God being present, from solving problems that arise, to the hundreds of people working together for the Kingdom. It is a special time for me when I am serving in the conference room, where I can sit back, maybe with a little envy, and watch the table leaders and assistant table leaders interact deeply with the pilgrims. I believe that as I watch the discussions and poster time I can see God transform the lives of each person at the table. As the conference room team becomes more involved in the lives of the pilgrims their lives are changed as well. If we will only allow it, no matter where we are serving at Emmaus, God can and will change our lives. I am ready to be changed. Are you?

Chrysalis offers spiritual renewal to young people through a three-day experience and follow-up and is a division of the Upper Room and the Emmaus community.

Chrysalis "Flights" are for ages 15-18 that have completed the 9th grade. This three-day spiritual renewal time provides an opportunity for young people to learn more about faith, to experience Christian love and support, and to make new faith commitments. The point is to inspire, challenge, and equip young people for a closer friendship with Christ and for Christian action at home, church, school, and community.

Central Alabama Chrysalis has four Flights scheduled for 2010. All Flights will be held at White Water Camp, north of Prattville.
