Dear Peggy,

Thank you for your proactive efforts in selling our property. Not only did you nail the listing price, but I feel you went completely beyond the call of duty in securing an alternative rental for our tenants, thereby ensuring that Escrow closed promptly. Not to mention running point on all the follow up from the miscellaneous issues that arose.

In deciding to retain your services, you were given a glowing reference from a mutual friend. Our experience has been at least as positive.

Thank you again and if we're ever in need of real estate expertise, we will not hesitate to call.

Sincerely,
