

NALRETO®

National Association of Li'l Red Express Truck Owners

NALRETO® was formed in June 2019. The purpose of this club is to create a platform for truck owners and enthusiasts to network, help raise interest in the Dodge Li'l Red Express Trucks, provide owners easier access to parts and advice on restoring and maintain their trucks. This club will also promote activities and events which give the opportunity to promote public awareness, stimulate pride in ownership and encourage education and camaraderie between fellow truck owners.

Membership requirements are simple:

1. 18 years of age or older.
2. Stay current with dues.
3. Submit a completed club application.

You do not have to own a Li'l Red Express to be a member
Dues will be \$30 per year, for each member, which will also cover their immediate family.
