

July 10, 2021, meeting minutes

Meeting was called to order at 5:15 with the Pledge, Prayer, and a moment of silence for the troops.

Being that this meeting was held at our annual Shoot & Scoot, we kept things short & simple. A quick once over the minutes and a short report from Shelby on our finances.

Butch started off the Legislative report and I help with a few things as well! We NEED our members to call, write, e-mail our Reps to get HB 4809 brought up in the Insurance Committee for a vote so it can make it to the house floor for a vote!! The passage of this bill is very vital if you ever get into a serious motorcycle accident!! If you need information, contact Butch or myself and we will help you!! Butch also brought up our trip to DC to see Reps and senators there on some national motorcycling issues like Profiling, Autonomous vehicles, Ethanol labeling on the pumps, the Highway Bill and continuing with the Motorcycle Caucus !

In August we will be doing another combined meeting on August 14th at Chizzies at 4 PM. My normal meeting was supposed to be on August 1st, but I have an event that I will be at that is a long way from home, so we are combining meetings!

PLEASE GET YOU BIKE TICKETS TURNED IN BY AUGUST 1st!! This is the deadline that was given to us so please get them sold and turned in!!!

We would like to thank all who helped make our Shoot & Scoot a success! Thankyou Farmers Tavern for allowing us to have the event in your yard, making the delicious breakfast and having the sloppy joes and hot dogs after the ride!! And a BIG thank you to all the workers who made it happen!! Leland & Ceci, Kevin, Pam, Chelsey & Mose, Brian, Ray, Dan & Karen, and Jim for hosting and running the games. Leah and Shelby for running the silent auction! PLUS, a BIG thank you to Marlene and Jim for putting it all together!!

Until next month, ride safe and enjoy the great weather!!
