July 3rd

They are calling for motorcycles to make a you-tube video to show support for our troops this Sunday at the civic center. Please try and make this to show your support and remember to "Wear Your Colors"

I cannot get the flyer to copy over, but anyone and everyone should try to make their way out this Sunday the 3rd to help with what is obviously a good cause!!!!

PENDING ROAD TRIPS

Did you know that Roger has created a page on the website dedicated to 3 day or more trips?

You need to email him if you have one planned, but the more that we can share the more we can enjoy the road together.

There are already a couple of rides listed so go check it out.

FACEBOOK PAGE!

Most of you know we have a Facebook Page dedicated to LC HOG. Some of you may even have noticed there has been an increase in activities recently.

Let's make it more useful.

Going for a short run to DeRidder or Jennings or just planning to ride around town? Get on there and let everyone know that you are going and where you are leaving from and when.

The worst that can happen is you have some company!
