

Breast Cancer Awareness Month has officially arrived at H2Ocean!

Hey Breast Cancer...FA~Q! Or shall we say; SHUCK YOU! Unfortunately, 1 in 8 women will be diagnosed with breast cancer in their lifetime in the USA alone! Let's not back down to breast cancer! Big or small...we must save them all!

For the entire month of October, H2Ocean will donate 20% of its proceeds from each glass of wine or bottle sold from the FA~Q & CLUSTER SHUCK Wine label. Let's not forget "Demolishing Breast Cancer Cannoli Dip" made with natural flavoring from fresh beet. H2Ocean will donate 20% of its proceeds from each serving sold.

H2Ocean has picked three esteemed and highly regarded institutions that prevent, diagnose, treat and care for women and families affected with breast cancer.

1. Carol G. Simon Cancer Center at Morristown Medical Center <http://www.atlantichealth.org/>
2. Barnabas Health Ambulatory Care Center <http://www.barnabashealth.org/>

Both center's mentioned above have helped and cared for many of H2O's wonderful patrons affected with breast cancer and I've seen first-hand the wonderful work and care they provide.

3. The Leslie Simon Breast Care and Cytodiagnosis Center at Englewood Hospital and Medical Center <http://www.inglewoodhealth.org/>

Living in Bergen County, The Breast Care center at Englewood Hospital and Medical Center is where my Ta-Ta's have called home for over 10 years. They also take great care of many of my dear friends and family member's. The physicians and team at Englewood hospital have displayed their expertise, care and empathy to me and my family.

The acclaimed team of physicians, nurses, nurse navigators, technologists and volunteers from the three centers mentioned above are familiar with all facets of breast health. More importantly, their compassion and empathy given to their patients and families provide them hope and encouragement. All three centers have been accredited by the National Accreditation Program for Breast Centers (NAPBC)

Wines from the FA~Q & CLUSTER SHUCK Wine label:
CLUSTER SHUCK Pinot Grigio, FA~Q Grillo, CLUSTER SHUCK Primitivo & FA~Q Nero d' Avola
Please visit: www.faqwine.com for wine description and purchasing.
