CHAPTER MEETING

The members of the chapter met at McAlister's Restaurant at 11am on Saturday, November 13, 2021.

The pledges were led by President Carlton Polk and Secretary Fulwider gave the invocation. The meeting was shortened due to the restaurant being remodeled and construction occurring.

The President authorized Secretary Dr. John Fulwider to purchase a 250th Celebration Flag. The flag was presented to the membership and a photograph of the president holding the flag was taken. President Carlton Polk announced a forthcoming formal agenda of 250th events for the chapter to participate in.

The Chapter will begin formally meeting every quarter and plans to rotate the days of the meetings between a Wednesday Lunch meeting and a Saturday Lunch Meeting. Some members cannot attend on Weekends. Others cannot attend during the week. President Polk will survey the membership and ask what days are best for them. Advance notice of meeting dates will allow better planning by the chapter's members. President Polk closed the meeting at Noon. The SAR recessional and benediction was by Dr. John Fulwider.

Next meeting will be in January, 2022. Time and place to be announced by email and phone calls to members by Secretary John Fulwider.
