Don't Say You Don't Like It

By Darrell Johnson

Chorus:

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

You need to just taste it, then you can decide it.

Don't say you don't like it, if you haven't tried it.

Verse 1:

There are so many things to eat, some are kind of salty, some are sweet

Some are baked and some are fried, there's so much you haven't tried

But if you don't know how something tastes, then you should try it just in case

You just might like it then you'll know, you'll have a new food to help you grow

Chorus:

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

You need to just taste it, then you can decide it.

Don't say you don't like it, if you haven't tried it.

Verse 2:

You've got cheeses, you've got meats, beans and vegetables like beets

Nuts and broccoli and yams, milk and eggs and fish and ham

Salads and grains like wheat and rice, kale and corn and herbs and spice

Fruits and vegetables are great, eat 'em up now, don't hesitate

Chorus:

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

You need to just taste it, then you can decide it.

Don't say you don't like it, if you haven't tried it.

Chorus Vamp:

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

There are so many things to eat, some are kind of salty, some are sweet

Don't say you don't like it, if you haven't tried it.

Some are baked and some are fried, there's so much you haven't tried

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.

Don't say you don't like it, if you haven't tried it.
