

Securing Pins/Knives & Blades

Our steel or plastic pins can be used for securing landscape fabrics, erosion control products, frost and germination blankets. Displayed next to our landscape fabrics, the securing pins practically sell themselves. Available in retail or bulk.

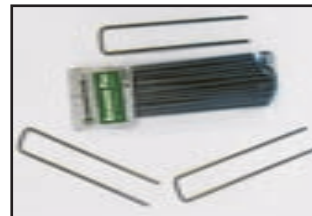

This multi-purpose knife will easily cut all your fabrics, bags, boxes, etc. Cuts landscape fabrics in no time! Comes with a built in safety lock! Has snap-off blades for a sharp new edge in an instant, anytime it is needed!

Replacement blades available:

10 blades per tube

Retail • 10 per pack • 24 to a case
Bulk • 100 - 500 - 1000 per case

Retail • 15 per pack • 48 to a case
Bulk • 100 - 500 - 1000 per case
