

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Updated 3/20/2020

At this unprecedented time, the COVID-19 (Coronavirus) pandemic is affecting everyone in this community in some way. The Grant County YMCA wants to fulfill our responsibilities to address the current situation.

After careful consideration of developing public health recommendations and the Executive Order by the Grant County Commissioners to raise our travel watch to ORANGE, your local Grant County YMCA staff has made the difficult decision to **TEMPORARILY CLOSE the YMCA**. This will be effective as of **12:00pm Friday March 20th until further notice**. The staff will continue to closely monitor the ever-changing dynamics of this pandemic and reevaluate this closure on a weekly basis. At this time, the hope is to reopen on **Monday, April 6th**.

No one knows how long this pandemic will last. Please know our team remains focused and energized to serve you as we drive towards a healthy recovery. **Beginning Monday March 23rd**, the Grant County YMCA will have a call center open from **9am until 1pm Monday through Friday** should you need to speak with someone from our leadership team.

The YMCA Staff appreciates your understanding in this unprecedented time and looks forward to the day we can welcome members back to the Y.
