

The Szymanski Family – MEXICO

Dear Friends and Family,

I hope everyone is safe and doing well. Things are looking down for most of Cancun and it's residents. Most everyone is still out of work and going hungry. Crime is on the rise as desperation grips the community. The China virus is spreading fast here with lots of deaths. Most Mayans suffer from malnutrition and that makes it easy for them to get the virus. We get tons of people calling the radio asking for us to pray for loved ones in the hospital.

Our radio station has become a real source of peace for many listeners. We make sure we preach Hope and pray for Peace. Lots of people have questions and call in looking for answers. Jesus is always the answer and we are happy to lead people in a prayer to find Jesus in their life. We should all spend some time seeking Jesus's Peace for our own life.

Our podcast ministry has really taken off. The Lord provided the funds to get all the equipment to set up a nice studio. We are in the process of organizing a live pray for Israel event. Israel is trying to tear it's self apart. She needs allot of prayer support and God's Peace. I will keep you all informed as our plans are finalized.

On a personal note. Our son Daniel graduated High school with a 3.6 GPA. We are very proud of him. It hasn't been easy to change Countries and go to a Spanish speaking school. Daniel has decided to go to Youth With A Mission and do a Discipleship Training School DTS. This DTS will be good for Daniel. It will give him a chance to serve the Lord as a missionary away from his parents. I'm excited to see him grow in his walk with the Lord. Daniel's 5 Month DTS will cost \$8,000. He will start his fund raising this week. When you hear from Daniel please consider supporting him. He's spent all 19 years of his life as a missionary. He's faced death 3 times on the mission field and he's never once complained about anything. Daniel really deserves people to get behind him and send him on his Mission with YWAM.

Please keep us in your prayers.

Jesus Love You!
