

LABAIK

**Labaik Ya Imam,
I do not fear,
I know all will be well,
When you reappear.**

**Labaik Ya Imam,
I beg to say,
Please hold my hand,
So I don't go astray.**

**Labaik Ya Imam,
We call out your name,
We'll help you avenge,
Your grandfather Hussein.**

**Labaik Ya Imam,
Please come in time,
Before we are judged,
For our awful crimes.**
