## 3rd QUARTER 2018 NEWSLETTER

### PRESIDENT'S LETTER

Well this has been another hot summer, in the winter I wish for warmer weather, in summer; cooler. Just like when I was farming it is either too hot or cold or too wet or dry. I guess we should just be happy with what we get and make the best of it. The Watson Lake Show was a real success and it was nice to see old (not too much emphasis on old) friends again. A couple of one day shows are coming up shortly, Slide Rock Sept. 29th and the Fall Festival at the Verde Valley Fairgrounds Oct 27th.

Richard Lahti has requested that the club find someone else to do the newsletter and maintain the Website. Richard has published the newsletter and maintained the website for ten years and has done a great job. Thanks Richard. Now we need someone to step up and volunteer to take over this job. If interested please contact me for further details. Hope to see you soon.

#### April 4th, Meeting.

- Meeting called to order at 7 AM by President Covert. Minutes were read with the correction that it was Cheezy Javalina and not Cheese, then minutes were approved. The treasurer's report was given by Joan Miller.
- The web site is current with renewal due shortly. No sick members were announced. There was a thank you to Steve Lombardo for his help in securing donations. Our raffle engine event was successful. Larry Dorrell was the winner.
- Suggestions were made and passed to donate \$250 to Cornville Oak Creek School District. It was suggested we donate to the Mc Guireville Memorial Day event. Candy who supervises the event attended and estimated she is out of pocket about \$800. \$300 was approved to be donated to their event. \$200 was approved for Randall's scholarship fund.
- Upcoming events, May 26th in Mc Guireville, Beat the Heat in Flagstaff July 28-29 and Watson Lake on August 4th.
- The steps on our large trailer are deemed dangerous. Volunteers to repair such were asked for.
- We need a banner to announce events in the commercial building during our show. Janet Hall said we also need direction signs to the building. The consensus was we need better advertising.
- Wrist bands were discussed. It was suggested by John Carl that we issue stamped cards which cannot be used in subsequent years.
- Phil Hess thanked those who filled in for him at the silent auction.

Meeting adjourned @ 7:30 AM

#### May 2nd, Meeting

- Meeting called to order @ 7 AM by President Covert. Minutes were read and approved. Joan Miller gave our finance report with result that we have \$1100 less in our account because of donations and our Go Daddy website update.
- Price of badges will increase by \$.50 for both the magnetic and the pin type.
- Thank you letters of appreciation were sent to the contributing model railroaders and to the fairground's board.
- Tom Kelly donated a Fairbanks Morse engine and it is in operational condition.
- It was announced that we need better advertising methods and that our attendance at the show was about the same as last year.
- It was stated that the Pine show needs no financial assistance , however that we could contribute to the Strawberry Food Bank.
- Jim Mager said he is retiring from doing the people mover.
- We received thank you letters from Mingus Union High School and the Kiwanis Club for our Randall donations.
- Vice President Radley proposed we have a Cottonwood tractor ride.
- Meeting adjourned at 7:15 AM

#### June 6th, 2018

- Meeting called to order by President Covert at 7 AM. Minutes were read and approved. The finance report was given by Joan Miller.
- President Covert said the Pine show was a success with 17 tractors and 24 engines on display. \$271 had been donated to the food bank.

- Beat the Heat show is July 29th, Watson Lake is August 4th and 5th, Slide Rock is September 29th and Verde Valley fall festival October 27th. Our show next year will be March 15th & 16th, 2019.
- Our new contract at the fair grounds is ready to sign. Our annual Christmas dinner is scheduled as usual at Randalls.
- Vice President Radley made motion that we supplement the food bank account and bring it up to \$500; with a motion passing to add \$230 to the food bank account.
- We received a thank you letter from Cheyenne Kirk who is a 17 year old student for our sponsoring the belt buckle.
- Vice President Radley attended the FFA live stock auction and also stated that although our club was recognized for the donation, people are ignorant as to what we are about. He feels we need more recognition there and other places.
- Meeting adjourned at 7:12 AM

### Mc Guireville Memorial Day Show

Before you read this I do not want you to become convinced that I'm trying to minimize the importance of the show. Namely, the gathering of like minds, engines, tractors, antiques, interesting projects, and good food. Especially Bill's dutch oven peach cobbler. Now, back to my train of thought before I lose it. The raising of the flag is our privilege and honor to show our appreciation to the fallen heroes who were dedicated to stamp out the aggression against our christian democratic way of life. Don't change anything except the date

Thank you

## Pine Antique Engine & Tractor Show

Thank you to our friends who made their way up to the Pine, Az show. People came from San Tan Village, Parks, Cottonwood and everywhere in between. We were able to raise \$271.00 for the Pine Food Bank. I would like to give a big thank you to Payson Concrete & Little Stinker. We could not have done the show without them. Thank you to Payson Tractor Supply, Payson Auto Parts, Early Bird Cafe, Uncle Tom's, Mi Familia Mexican food restaurant and the Pizza Parlor in Pine, as they all donated to the drawing.

The club donated an extra \$230.00 to the food bank making a the total donation \$501.00.

God Bless everyone for their participation making this a successful event

## Watson Lake Show 2018

Inquiring with several long time members I wasn't convinced as to the original date of the show although the show button showed it to be the 44th annual show. However one thing we did agree upon that time flies, one second on the equator equals 15 miles of travel.

I noticed some new participants and their displays, but missed the old timers who were present many previous years. Maybe it was the heat. Possibly I'm one of those people who would complain even if I was hung with a new rope. All things considered, it was a great show. A big thank you to all that made it happen. Thank you for the invitation and hopefully we will be present next year.
