Golf Course Information:

Canyons Course at TPC San Antonio

If everything is bigger in Texas, why wouldn't the TPC of San Antonio be bigger too. It is! One course just wouldn't be enough so they have 2! Greg Noman takes credit for the Oaks course addition, while the club's Canyons Course design, and former host of the PGA Champions Tour, was created by World Golf Hall of Famer, Pete Dye. Over the course of his lifetime, he designed more than 250 courses around the world and is still considered by many to be the most influential course designer of the last five decades. Pete has placed his signature onto a "who's who" list of the world's most iconic golf courses like Crooked Stick, Harbour Town, The Ocean Course at Kiawah, The Stadium Course at TPC Sawgrass, Whistling Straits, Blackwolf Run, Teeth of the Dog and many more.

Working with PGA TOUR player consultant Bruce Lietzke, Pete Dye designed the Canyons Course and kept the Texas Hill Country terrain completely natural to take advantage of the spectacular views and rolling hills of a 700-acre nature preserve and the nearby Cibolo Canyons. The layout features wide fairways, a Dye Trademark, and majestic stands of oak and cedar trees. Bermuda grasses were specially selected for this course to provide optimum playing conditions, diversity in color, texture and environmental sensitivity. The putting greens are Champions Bermuda. The layout provides challenge for scratch golfers and novices alike with dramatic elevation changes. The par-72, Canyons Course, is the previous host of the PGA TOUR Champions when it was known as the AT&T San Antonio Championship, from 2011-2015. The list of past winners include Fred Couples, Kenny Perry and Bernard Langer among others. Golfweek Magazine ranked the Canyons Course as #10 Best Courses You Can Play in Texas in 2019.

La Cantera Resort Course

Designed by noted golf course architect Jay Morrish and PGA professional Tom Weiskopf, The Resort Course at La Cantera winds through the Texas Hill Country offering breathtaking views, the most notable being a sheer 80-foot drop from the 7th tee to the fairway. The 7,001 yard par 72 golf course in San Antonio features five sets of tees on each hole to accommodate every skill level. Six holes have breathtaking views of San Antonio, Six Flags Fiesta Texas and the scenic Texas Hill Country. Natural features include natural water features, streams, live oak groves, limestone rock outcroppings and 75 dramatic white sand bunkers.

The Quarry Course

Dating back to 1908 the historic Quarry Golf Course was chiseled from stone to create the most dramatic golf course in San Antonio. The Quarry is surrounded by the culture that was left behind from the many families that worked in Cementville leaving behind the site for a world

renowned golf course – The Quarry Golf Course! During your round, you will be challenged and rewarded in many ways. The front nine plays in a links-style format and features rolling hills, native grasses and immaculate greens. The back nine lays out in an 100-year-old quarry pit. You will love the elevated tee boxes and shots that will fly over large expanses. After a day at the Quarry, you will certainly feel like you just played one the most unique and enjoyable rounds of golf of your life.

San Antonio Gold Attraction Pass:

San Antonio River Walk Cruise

Your 35-minute narrated cruise in new, colorful barges will take you on an enchanting journey through San Antonio's rich history, from La Villita, the city's first neighborhood (and where General Santa Anna placed his cannon line in the Battle of the Alamo)... past the Old Mill Crossing where Teddy Roosevelt led his Rough Riders... You'll learn about our city's architecture and points of interest, such as Selena's Bridge, where Tejano superstar Selena Quintanilla Pérez's husband proposed to her

in the movie; the Hyatt Regency Hotel, designed so its height would not cast a shadow on the Alamo in the setting sun; and the Briscoe Western Art Museum. Our German, Mexican, French, Irish, and American Indian heritages create a culture unique to San Antonio.

Buckhorn Saloon & Texas Ranger Museum

Located right in the heart of downtown San Antonio, we are two blocks from the Alamo and one block from the Riverwalk. For over 131 years, The Buckhorn Saloon has been known as a gathering place for good conversation, great food and spectacular wildlife exhibits. Today, the saloon houses a Café, Gift Shop, Shooting Gallery and our two museums, the Buckhorn Museum and the Texas Ranger Museum.

San Antonio Museum of Art

A visit to the San Antonio Museum of Art (SAMA) takes you around the world and through five thousand years of art in a complex of buildings that once housed the Lone Star Brewery. SAMA is renowned for the most comprehensive ancient Greek, Roman, and Egyptian art collection in the southern United States. The Nelson A. Rockefeller Latin American art wing spans the ages from the ancient Americas to the present and includes an outstanding collection of folk art. In the contemporary galleries, works of internationally recognized artists share prominence with notable Texas and regional art. The comprehensive Asian art wing displays works from Korea, India, and Japan, and includes an important Chinese ceramics collection.

Tower of the Americas

Located in downtown San Antonio, the 750-foot-tall Tower of the Americas provides guests the most spectacular view of the Alamo City. Enjoy the gorgeous panorama from the Tower's revolving Chart House Restaurant, take in the scenery from the Observation Deck or experience the thrilling 4D Theater Ride. For a taste of the best dining and fun that San Antonio Riverwalk restaurants have to offer, come take a flight with the Tower of the Americas.

ALAMO: THE PRICE OF FREEDOM

This is a stirring tribute to the 189 Texans, Tejanos and settlers who defended the besieged Alamo for 13 days against the Mexican Army of General Santa Anna. Although they were defeated, the memory of the battle rallied Texas troops to fight for independence, and it created the battle cry for generations of Americans, "Remember the Alamo!"

Free Things To Do:

THE ALAMO

San Antonio's most popular attraction, The Alamo, originally known as the Mision San Antonio de Valero, was one of six Spanish Catholic missions founded on the San Antonio River. It was later used as a fort during the Mexican battles for independence from Spain. In 1835, during the Texas Revolution, a group of Texans occupied the Alamo. They maintained position until March 1836 when 187 died during a battle with the Mexican army. Today, it is a National Historic Landmark and museum. Admission is free, although donations are accepted.

San Antonio Missions National Historical Park
