*'For in 1 Hour so Great Riches is come to not. And every Shipmaster, and all the Company in Ships, and Sailors, and as many as trade by Sea, stood afar off, and cried when they saw the Smoke of her Burning, saying, What City is like unto this Great City! And they cast dust on their Heads, and cried, weeping and wailing, saying, Alas, alas that Great City, wherein were made Rich all that had Ships in the Sea by reason of her Costliness! for in 1 Hour is she made Desolate.'* -Revelation 18:17-19

The purpose of this Study is to provide a Prophetic Comparison to strongly suggest that the 'Image' or 'Statue' as interpreted by the Prophet Daniel based on the Vision given to Nebuchadnezzar can also be an Anthropomorphic rendition of the American Union since 1792. Why that year? That is the year the Coin Act established the Money Supply for the USA, provided at Interest by the Central Bank and which is not controlled by the USA. Is such a National comparison to a Biblical Vision plausible? Yes. The USA is not mentioned outright in the Bible but there is Empirical Evidence. This is one of them. There are others. USA is rather peculiar in many ways as no other Nation since recorded time. For example, even topographically, some have suggested the Continental USA is fashioned much like the Tabernacle of Moses.

See article links in the End Notes entitled, The Tabernacle Republic. Indeed, each of the Furnishings appear to correspond to a topographical area of the Republic. The Vision of a Statute in Nebuchadnezzar's Dream has similar corresponding attributes. The segments were delineated by types of World Empires, Metals and Beasts. The following will be a synopsis of the Biblical rendition and the interpretation of the Statue given by the Prophet Daniel of King Nebuchadnezzar's Vision. This Vision of the Statue of Nebuchadnezzar is 1 of the most prolific and Prophetic Signs and/or Visions ever given in the Bible. It was given to Daniel to interpret while the Exiles of Judah were in Babylon for their Unfaithfulness and Disobedience toward YHVH.

This Vision essentially maps-out the World Empires to rule the World until the Return of Jesus. When? During the time of its last rendition of 10-Toes. This will be the key to this study and how the Prophetic Metaphor correlates also then to when the 'Expiration Date' of the USA is to occur or get 'smashed' down. When? When the USA is ruled by '10-Toes', figuratively speaking. The Statue became an object lesson for not only Daniel and his People, but for the Gentiles to discern. Because in so doing, one can unlock the timing of what Empire, Metal and Beast 'Time' the World will end with and when one can expect the return of Jesus. The Vision of the Statue is very simple. It is based on the Anthropomorphic rendering of a Male Human Body Form.

## **Prophetic Patterns**

According to the Bible, this 'Form' was fashioned after the 'Image and Likeness' of YHVH. Although the Bible teaches that GOD has no physical Body but is Spirit. Yet Spirit does have Form, etc. One sees this, for example in the Christophanies of the Old Testament or of the Prophets like Ezekiel that saw YHVH. Or the 'Man' standing atop the Ladder that Jacob saw was that of a 'Form' that appeared to be a figure of a Man. What most do not realize is that the Human Body, as with all created things, is designed in proportion according to the phi ratio. And amazingly, such a phi ratio coefficient was and is being patterned after the World Empires with their corresponding Metal and Beast Motifs that follow from Nebuchadnezzar's Statue as well. This is astonishing. Because if so, then one can approximate the Mathematical Duration of each Empire with some accuracy.

In terms of the Statue's ascribed attributes, YHVH gave a 3-fold description involving Body Parts, Metal Alloys and Beast Types. In terms of the body parts, the Statue starts with the 1 Head, then 2 Arms/Shoulders, 1 raised more in the Beast rendition. Then the 4 section divisions of the Torso and Abdomen. Then the 1 Loin that extends-out with the 2 Legs. It finishes with a morphing into the 10 Toes of each Foot, etc. Then the Statue is attributed to each World Empire a specific Metal Alloy. It starts with the most malleable and valuable Metal, Gold. And then the Metals diminish in value and consistency. From softer to harder, from valuable to invaluable. From rare to common, etc. The subsequent Empire is that of Silver, then of Bronze and finally Iron to finish-off the 10-Toes with the mixture of the Iron with Clay. In terms of the Beast Types, the 1st World Empire is that of Nebuchadnezzar. It starts-off with a Winged Lion, then the Bear.

Now realize that other World Empires existed. There were the Chinese, the Meso-Americans during such times. But the key is the reference point as to how these 4 Empires affected the Promised Land, Jerusalem, and the Temple. This pattern is also then key in corresponding the same Prophetic Pattern to the USA. It is because of how the USA has too, played a Prophetic Role in affecting the outcome of Israel, which it was 1st to recognize as a sovereign Nation on May 14, 1948. The USA acknowledged Jerusalem as its Capital in 2017. As to the 3rd Temple, yet to be determined. The Temple Institute has gathered tremendous amounts of funds for the 3rd Temple Project from mostly individual Bible-Believing Christians and Evangelical Congregations all over the USA. After the Winged Lion of Babylon, it is followed by a 4-Headed Leopard with Wings. It speaks of a swiftness to which Alexander the Great conquered.

And then the 4th Beast is a composite combination of all the prior ones. It is in the last rendition of the 4th, that lasts the longest. The key to both Prophetic Metaphors, especially of the USA that is being compared to is that it comes 'crashing down' when it delineates into the 10-Toes. It will be the time when a Stone, as the Metaphor for Divine Judgement from Heaven, comes down to smash it into pieces. This stone is Jesus, 'The Rock' in either case. History will confirm that the World Empires of Nebuchadnezzar's Statue have come to be true representations and proportions. Such World Empires had direct dealings with the 'Judgment' of YHVH's People, control of the Promised Land, the City of Jerusalem and the Temple.

## **Decrees to Rule**

Neo-Babylon was the Head of Gold. It was the purest and single-minded that corresponded to the Winged Lion. Then the 2nd World Empire, the Medo-Persian Empire, corresponded to Silver. The Empire was that of a Bear with 1 shoulder raised and with Ribs in its Mouth. It was that the Persians were more dominant than the Medes as it was co-ruled by Cyrus and Darius. Then the 3rd World Empire was that of the Greeks with Alexander the Great. He was young and by the age of 33 when he died in Babylon had conquered the Known World. His Motif spoke of swiftness and then how his 4 Generals divided the Empire thereafter. The Metal associated with this Empire and time was Bronze.

The last World Empire was that of the Roman Caesars in how Rome started as a singular Republic but then was divided in 2 parts as an Empire. It was divided into the Western and Eastern portion of the Empire with Rome and Constantinople as their respective Capitals. Both by the way, set upon 7 Hills. The base Metal representing this World Empire was Iron. And the Beast was a composite of the rest to mean a hybrid of sorts of all the worst characteristics combined. What is unique about this 4th Beast is that it has not ceased to exist nor to rule the World. It is the current Status-Quo World Empire although incognito. How so?

Realize that this World Empire has been in power the longest as it mirrors the proportion of the Human Body as mentioned prior, specifically corresponding to the Loin, and then the 2 Legs and 10-Toes. It has been the Roman Empire that has ruled and is ruling the World in 1 form or another. For example, geo-politically, most of the Western Nations coming out of Rome have colonized the entire World: Spain, Portugal, France, Netherlands, England, etc. And many would say, it is the USA presently that has been the geo-political Heir of the Empire continuum.

The West had and still has the Legacy of Rome' with its Laws, Culture, Language, Art and Science, etc. But some will say, the Roman Empire fell in the 300s. Did it? Yes and No. Realize that the Roman Caesar occupied 2 Offices. Dictator and Pontifex Maximus. He was the Head of State and the High Priest of the Roman Religion. What happened when the Political branch of the Caesarship ceased, was that the Office of the Papacy continued. Thus, realize that the present Pope, is technically still the Caesar of Rome. Point is that the present 4th Beast, Metal and World Empire rule the World. How this plays into End Times Prophecy with the USA is that in the book of Revelation, these same 4 Beasts are reiterated in more detail.

And how from this 4th Beast Empire, the AntiChrist will come forth during the time when the World Empire morphs into the mixture of the Iron and Clay 10-Toe Confederation. And this, by the way, is how it will play-out during the coming Tribulation Period, concerning the Jews. In what way? Consider that the ultimate verdict of who the Ruling Jews paid allegiance to was, 'We have not King but Caesar'. And such is still the case and will be during the Tribulation Period. This is why this Vision of the Statue of Nebuchadnezzar strongly suggests that the AntiChrist will indeed come from the 'People' that came to destroy Israel, Jerusalem and the Temple in 70 AD.

### A Monetary Life Cycle

Or in other words, the coming AntiChrist, although Jewish to be accepted as the Messiah, will come from the domain of the 4th Beast. This will occur when the World is then divided into 10 Spheres of Rulership. This could very well come after the Reset and Rapture event. This is where the USA comes to play its part with such a Biblical Vision of the Statue. Why? Because things in the World are about to get 'Biblical', they are already. Indeed, a parallel course and sad outcome are in play for both Prophetic Metaphors. It will actually be a catastrophic ending for both based on the Bible.

And if the correspondence is valid, then surely the end of the USA is at hand. How so? It has to do with the 10-Toes. It will come down crashing, hard and fast during that time. For the USA, it will most likely be tied to its Astronomical Debt owed and Artificial Petro Dollar. If the Debt is called-in and the backing of the Petro Dollar is removed, the USA will fall. Its lifeline is its Money Supply and why it will be 'Sudden Death' if it is cut-off. The real question should be asked, who controls the Money Supply of the USA and why? It is not the USA.

This assertion has been also written about in the articles, The Fall of the Phoenix and The Last Shemitah. It is a theory of how the timing of the USA is suggested to be the duration of how long the Republic is designed to exist based on 33 Cycles of Sabbaths, each having 7-Years. And this start time is not pegged to its Independence in 1776 or 1782 but in 1792. That was the year the Money Supply started with the Coin Act. Here is the logic of this correspondence to the Vision of the Statue of World Empires. Each corresponded to the types of Metals and Beasts until the return of Jesus, the Rock that then smashed the Statue. It would be the time that the Earth would be ruled by 10 Kings. It would be out of these 10 Kings or World Rules that the AntiChrist would come.

Likewise, this study is suggesting that the USA has had a design, based on its Money Supply of a Monetary Life Cycle. Of when it was introduced to when it would be withdrawn. And that when it too would be under a 10-Toe or Regional Rulership, that it would be the time it would be likewise 'smashed'. As with a 'Rock', if by Divine Decree to then make way for the next Kingdom to come, a New World Order. As it pertains to the length of the timeline of the American Republic, this study suggests its end would correspond to a countdown of 33 Sabbaths since 1792.

It would be like with the Statue, that the USA would then be under a similar Rulership of 10-Toes or Regions. Wait a minute. The USA is a Republic. It will never be ruled or divided into 10 'Toes', Republics or Regions. No? Presently, due to the COVID Emergency, the USA did just that. And no one 'Batted an Eye' as they say. Thanks to the Emergency Declaration based on COVID-19 False Model and inflated Death Rate and Death Counts, it became a pretext for the USA to go from Constitutional Law to being technically under FEMA Rule. Many argue that a Coup d'État occurred with Biden winning the U.S. Election. Yes, but the real one occurred when Trump made the Emergency Declaration due to COVID. The issue? This Emergency is now the New Normal and Status-Quo Law of the Land. It will never be relinquished. Why not? It is the way now that the USA has finally been subverted by the Luciferian Globalists.

## **Of Decrees and Mandates**

And how they will be using the implosion of the USA to birth their 'Reset'. The coming New World Order will then amazingly synchronize with the coming of the AntiChrist. That is how the USA is in the Bible. And now, the USA is divided into 10 Regions or 'Toes' ruled by FEMA Law. And to the 'Mixture'? It speaks of 'Division'. There are intense Political, Social, Economic, Religious, and Educational divides. The USA will not, cannot survive these, by design. There is now in the USA, the 'Vaccinated' and the 'Unvaccinated', etc. And this brings one to the topic of the COVID Injection Mandates now imposed by the 2nd 'Cleaner', Joe Biden, whose name means in part, 'Dividing Dan'.

More of this will be discussed later on. But the 'Image' of Nebuchadnezzar's Vision was then erected. A 'Mandate' was issued that everyone had to worship it in Babylon. It was 6 by 6 by 60-cubit dimension, (666) thus the 'Image of the Beast' Metaphor and related to the Number of his Name as found in the book of Revelation, etc. Many have suggested that it is in the COVID Injection Mandates that one can at least draw some Prophetic parallels. But many over the decades have asked if the USA is in Bible Prophecy. Or if the USA is the Babylon of the book of Revelation. For sure, there are some interesting correlations that are probably. As to the USA being Babylon, realize that in the book of Revelation, there are 3 renditions of it.

There is the Spiritual Babylon, the Ecclesiastical Babylon and the Economic Babylon. But it is hard to imagine how a Nation as the USA would be missed or not mentioned in the Bible. But so have many other World Powers not been mentioned either in the Bible. What is unique though, of the USA as mentioned prior is its tie and support of the Nation of Israel, Jerusalem and the Temple. Just like the World Empires of the Vision of the Statue of Nebuchadnezzar. Surely the USA would have been mentioned in the Last Days as it pertains to the last Week of Years or Daniel's 70th Sabbath? No? But consider the Syndrome of 'No-Mention' as in the case of Esther in the Bible.

Not one time was the Name of YHVH mentioned in the entire account of the book. Yet was YHVH not at work orchestrating all the events? Yes. And this Prophetic Metaphor of the USA, being compared to the Statue, in a similar way is why the USA is being connected to the Vision of the 4 World Empires. Perhaps it is a Nexus converging to help usher-in its last rendition. The USA will be used to 'morph' into the 10-Toe world Rulership induced by the coming Reset, which will be mostly based on a New Economic Order. The Fall of the USA will occur when it finds itself in its final rendition of the 10-Toe FEMA Rulership of 10 Regions.

The pretext is the COVID Emergency in how there is no coordinated World Effort to stop the 'spread'. Thus, the Mandates. The World is being prepped for the need to have a World Leader, a 'Savior' Messiah and to receive the Mark of the Beast by order of the 'Mandate'. What this study is suggesting is that perhaps based on a correlation to the Statue of Nebuchadnezzar, the USA is destined be the catalyst or Transitory Agent that during the 10 Toes episode of its timeline, that it will get 'smashed' and thus enable the transition to go over to the AntiChrist's New World Order.

## **Birth of the Republic**

Realize that the USA, as a Sovereign Nation is relatively infantile in its age in comparison to the Mighty Empires of old. Based on a shared consensus, the average length of time a World Empire lasts is around 250 years. If this is the case, then the USA is indeed seeing the end of its Shelf Life. But when did that 'USA' begin? Is the timeline starting from when the 1st English Colonists established the 1st Settlement in Jamestown? Or on Plymouth Rock in 1620? If one took the earliest date of a Permanent English European Settlement in the area of what would become New England, it would amount to over 430 years.

Realize that the Spanish in 1565 had established a permanent European settlement in St. Augustine, Florida. The key has to do with Economics. When did the Money Supply Start and when was the 'Republic' Incorporated. Now, if one used the date since the English Colonies became a Republic after 1782, that would put the lifespan at just over 240 years. This study suggests that an encoded and encrypted countdown has had to do with the establishment of the Coin Act of 1792. And that this Year Marker is the time that has started the eventual Expiration Date for the USA. Why? It is like a Mortgage.

1585 *Roanoke Colony*  
1607 *Virginia Colony*  
1620 *New England*  
1673 *Rhode Island Royal Charter*  
1667 *New Netherland ceded to England*  
1776 *Declaration of Independence*  
1783 *Sovereign Nation - Treaty of Paris*  
1792 *Coin Act - Money Supply by Central Bank*

It is no big secret that as the young Republic was birthed, it was based on amazing Christian Principles never implemented in any time of Human Government before. There was the notion of Inalienable Rights that stipulated that no Human Government could give or take away one's Civil Liberties. These Rights were codified in the U. S. Constitution and the Bill of Rights. The USA formed a Union that gave Individual Freedoms that superseded those of the Government.

And that the 2nd Amendment, for example, was there to protect such Rights against a Tyrannical Government. That the 'People' could come together and dissolve the Union, for example. And this is on top of how the Precepts and Laws of governing the USA were derived from Christian Principles and Morals. The point is that there were the Philosophers that idealized the Republic as the New Rome and how it was the remnants of the Atlantean Continent, etc. But what one does have to also acknowledge is that a nefarious and parallel 'Religion' and Creed usurped the New Republic.

This was done by the Luciferian Masons, Kabbalists and other Secret Societies that masqueraded themselves and effort within the tenets and verbiage of Christianity, but only as a façade. They incorporated all their Motifs, Symbols and Signs even in the very Seals and Icons of the New Nation. The most prominent one was and is the Unfinished Pyramid with the All Seeing Eye of Lucifer.

### 33rd Sabbath Cycles

In this Motif, they prescribed the Code of the Lifespan the New Republic was to be allotted. Why? To usher in their 'Caesar'. And this based on the Money Supply that was lent and will be withdrawn at their opportune time. But most importantly, then how those that control the Money Supply pegged the Life Cycle after the Bible Sabbaths of Years. And thus, the theory is that from 1792, the countdown to when the Money Supply would be withdrawn has been ticking-away until it completes its 33rd Cycle. And when? The 33rd Sabbath corresponds to the Fall of 2021 to the Fall of 2022. It is the Last Year or the 7th in the 7-Year Cycle that is called the Shemitah Year. The issue is that the real New Year is in October.

Does this then play into the warning that Yellen has made in September of 2021? That if the USA does not authorize the raising of the Debt Ceiling, the USA will be unable to pay the Interest on its Debt. This will be crucial to see if it will occur or this will be the 'pulling of the plug'. And it would corroborate the notion that for 2021, the Jewish Year is indeed off by 1 month. The Shemitah Year is when all Debt is erased. All Accounts are called-in and/or are squared-away and Slavery is abolished. Or those in Servitude are released from the Bond. It is essentially an Economic Reset.

Thus, what this study suggests is that now that the USA has entered a Rulership under FEMA Law and is now divided-up into 10 Regions, it is when it will come falling down, hard and fast. This is again based on the Prophetic Metaphor of how the USA can also correspond to the Statue of Nebuchadnezzar's Vision. The Head was of Gold. The 2 Arms were of Silver. The Mid-Section or Torso was of Bronze and the 2 Legs were of Iron. Lastly, the 2 Legs morphed into a mixture of Iron with Clay in the 10-Toe configuration. All these can be seen corresponding to the USA in its Historical Lifespan.

### 33RD SABBATH CYCLE COUNTDOWN to the Demise of the USA ?

Anthropomorphic Pattern of the USA

### Implosion Countdown

33 x 7 Sabbaths

= 231 Years

1792 + 231 = **Fall 2022 to Fall 2023**

### MDCCLXXVI

1000 + 500 + 100 + 100 + 50 + 10 + 10 + 5 + 1 = **1776**

1000: 500 + 100 = 600 | 100: 50 + 10 = 60 | 10: 5 + 1 = 6 | 600 + 60 + 6 = **666**

## **FEMA Republic**

Thus, now that the USA has entered this 10-Toe Rulership divided into the FEMA 10 Regions, is it the time when the Stone from Heaven, as a token of Judgement, is to strike the USA as it did the Statue of Nebuchadnezzar's Vision? Yes. How can this Statue be compared to the USA? One can make the general comparison of Nebuchadnezzar's Statue of the 5 different Alloys and Segments of the Body. In terms of Judgment upon America, each Strata of Alloy alluded to a condition and value of the element and worth of the Empire, from being 'Pure' to now being 'Corrupt'. The USA can be compared as having the 5 stages of Metals that reflects its value and worth, or lack thereof but in reverse order.

See Tabernacle Republic. If this principle is extrapolated to the USA, in terms of geo-political, it starts with the Head being the Golden Age of the Young Republic. Then the Civil War ensued as the Arms split the North from the South, the 'Silver Age'. Then the expansion of America occurred through 'Manifest Destiny' that saw the core of the Nation developed as with the Bronze. This expanse from Sea-to-Shining-Sea defined the 4 Corners of America. The long period as to the Legs of Iron characterized the industrialization of the USA and the continental developed with the introduction of the Railroad. This was the Age of Iron but it seemed that 2 Nations emerged from it, those of the haves and have nots.

However, after World War 2, the Pax American ruled the World. It could also characterize the Republican and Democrat demeanor of its Politics. But now it has 'morphed' into the 10-Toes. Will the USA then conclude within its 10-Toes timeframe before it is 'Smashed' to rubble? And with the Vaccine Mandate of Biden, Obama's Partner, they have been part of the 'Cleaners' to make sure the 'Corporation' of America, Inc., is to implode and fall. As noted, it was in Babylon that the Statue was set-up much like COVID is today. And that is what the COVID Injections are really designed to do as the word comes from Cow, Vacca in Latin. The Cow' is to Cull, Contaminate, and Control whoever is left and survives.

It became a Test of Faith for the People of YHVH. A National Decree went out that every person in the Realm had to bow-down to it and accept the Mandate. A 'Fiery Furnace' awaited those that were either 'Hesitant' or Resisted the Mandate, either for Religious reasons or otherwise. Those refusing the Mandate can thus likewise be typified as a 'Shadrach, Meshach and Abednego' that stood their ground. It was a time of Faith under Fire but Jesus was with them.

A correlation can be made of how those not wanting to take Biden's Mandated Poison Death Shots will likewise be persecuted. But more profoundly is or will be, is that if the Vision of the Statue correlation has some validity to it, then it is Prophetic Evidence of how the USA is indeed in the Bible but obscured. Nonetheless, what it would mean is that during the time that the USA is under FEMA, under the 10 Regions as in the 10-Toes time, that is when the Stone of Judgment is to come crashing down the Nation, the Statue to make way for the coming New World Order. The question is then to be asked or should be asked, how long will the USA be under FEMA Rule?

Again, realize that the State of Emergency due to the plandemic will never be lifted. However, based on the typology of the statue, the 10-Toes were relatively miniscule in comparison to size and time/length of the other Metals and duration. In the Biblical time-frame, they will only last 7 Years. That time will correspond to the Tribulation Period. How will that correlate to the USA? Not sure. It is close.

The USA will serve as a 'Nexus Point' for the 'Reset' and that it is based on the 33rd Sabbath Cycle since the Republic was beguiled to be on the Money Supply of the Money Changers. It spelled its doom as the Sacrificial Cow will be slaughtered in the end as the debt incurred will be due and collected, like a Bank Mortgage. As Obama declared in one of his last Press Dinners, 'The End of the Republic has never looked better'.
