

**FOCUS ON CHILDREN
&
MEDIATION ORIENTATION**
A required class for divorcing, divorced, and separated parents

Parties are required to register within 15 days of receiving this notice.

*You are **required** by the Court to attend Focus on Children if you are the parent of a child under 18, AND you are a party in a Lane County annulment or dissolution of marriage or domestic partnership, legal separation, petition to establish custody or parenting time (including paternity), or post-judgment litigation involving custody and/or parenting time. Focus on Children helps parents respond to their children's needs and minimize the negative impacts of divorce and separation. The class also addresses parents' rights and responsibilities, custody, parenting plans, and the family adjustments to new living arrangements. Class attendance enables parents to access free custody and parenting plan mediation at the Family Mediation Program.
