

SUMMER CAMPS IN-PERSON 2020

We want to thank you for all of your support these past few months. It is greatly appreciated. Seeing your child's face, even over Zoom has made this time more fun, creative, and inspiring. We look forward to when we can see all of their faces in person! Thank you for helping us to know that we are all in this together.

Since we care so much about you and your families, we have put together a medical advisory committee, made up of parents with qualifying experience, to help us devise the best plan for returning to camps and rehearsals.

Seattle's Performers is currently able to provide in-person camps and classes this summer, many precautions will be taken to ensure everyone's safety. **This will include, but not limited to, requiring face masks, limiting camp sizes, shorter camp times to limit possible exposure, staggered arrival and departure times, maximizing air flow where possible, utilizing outdoor spaces whenever possible, and rigorous, regular cleaning.**

Below, we have listed the current plan for the summer.

IN-PERSON CAMPS

Phase 2, we will have in-person camps. Each group will be limited to a maximum of 8 students. Most of the day will be held outside, and movie musical will be recorded over the week and emailed out to families

If we are in **Phase 3, we will have camps with a 10-15 person cap.** We will also have on-line options for those who are not able to meet in person. All performances will happen outside or inside and filmed with no audience or performed to a limited audience.

Every week we will offer virtual options with the same themes as the in-person camps, but for 3 hours and they will include art activities delivered to your door at no additional charge. If you are wanting to transfer to a virtual camp option at any time, please let us know. You will get the virtual camp and a credit towards any future camp or class that will not expire.
