

# AKRON TOWNSHIP CEMETERY ORDINANCE

An ordinance to protect the public health, safety and general welfare by establishing regulations relating to the operation, control, maintenance, and management of cemeteries owned, controlled or operated by the Township of Akron, Tuscola County, Michigan; to provide penalties for the violation of said ordinance, and to repeal all ordinances or parts of ordinances in conflict therewith.

THE TOWNSHIP OF AKRON, COUNTY OF TUSCOLA, MICHIGAN ORDAINS:

## **Section 1: Title**

This Ordinance shall be known and cited as the “Akron Township Cemetery Ordinance”.

## **Section 2: Purpose and Intent**

The Akron Township Board recognizes and concludes that the proper and reasonable maintenance, appearance and use of the cemeteries owned and controlled by the Township is an important function of the government of the Township. It is also important that burials, disinterments and other matters associated with a municipal cemetery are handled in a respectful and proper way in order to promote the safety, public health and general welfare of the community. The Township Board finds that the adoption and enforcement of the Ordinance is in the best interests of the property owners and residents of the Township.

## **Section 3: Definitions of Cemetery Lots and Burial Spaces**

A “cemetery lot” shall consist of an area in a Township cemetery sufficient to accommodate one burial space for one deceased person and/or cremation. It shall consist of a land area 44 inches wide and 10 feet in length.

“Township” means Akron Township.

“Township cemetery” or “cemetery” means any cemetery owned, operated and/or controlled by the Township.

Demorest Cemetery: A cemetery lot shall consist of burial spaces sufficient to accommodate from one or as many spaces as needed.

Hickory Island: A cemetery lot shall consist of burial spaces sufficient to accommodate from one to four burial spaces.

## **Section 4: Sale of Lots or Burial Spaces**

After the effective date of this Ordinance, cemetery lots or burial spaces shall be sold by the Township only to residents or taxpayers of the Township for the purpose of the burial of such purchaser or his or her heirs at law or next of kin. No sale shall be made to funeral directors or others than as heretofore set forth except for those acting as an agent for an eligible purchaser. The Township Clerk, however, is hereby granted the authority to vary the aforesaid restriction on sales where the purchaser discloses sufficient personal reason for burial within the township or relationship to persons interred therein.

All such sales shall be made on a form approved by the Township Board, which grants a right of burial only and does not convey any other title to the lot or burial space sold. Such form shall be executed by the Township Clerk.

Burial rights may only be transferred to those persons eligible to be original purchasers of cemetery lots or burial spaces within the Township and may be endorsement of an assignment of such burial permit upon the original burial permit form issued by the Township Clerk, approved by said Clerk, and entered upon the official records of said Clerk. Upon such assignment, approval and record, said Clerk shall issue a new burial permit to the assignee and shall cancel and terminate upon such records, the original permit thus assigned.

The Township Board shall have the authority to place a limit on the number of cemetery plots sold to a particular person, as well as such person's family and relatives. Furthermore, the Township shall have the absolute right and discretion to determine whether a particular cemetery plot or plots will be sold to a specific person and where such cemetery lot or lots will be located and within which Township cemetery. Such decision shall be based upon reasonable factors, including, but not limited to, the number of vacant cemetery lots available and whether family or relatives of the person seeking to purchase a cemetery lot or lots are buried adjacent or nearby the cemetery lot or lots requested.

The Township shall have the right to correct any errors that may be made concerning interments, disinterments, or in the description, transfer or conveyance of any cemetery plot, either by canceling the permit for a particular vacant cemetery lot and substituting and conveying in lieu thereof another vacant cemetery lot in a similar location within the cemetery at issue or by refunding the money paid for the cemetery lot to the purchaser or the successor of the purchaser. In the event that an error involves the interment of the remains of any person, the Township shall have the right to remove and transfer the remains so interred to another cemetery lot in a similar location in the same Township cemetery in accordance with law.

The owner of every cemetery lot shall be responsible for notifying the Township whenever that person's mailing address changes.

#### **Section 5: Purchase Price and Transfer Fees**

Each cemetery lot shall cost the sum of \$250.00 per grave for township residents and taxpayers and \$500.00 perpetual care fee for non-residents.

Any transfer of one or more burial spaces from an original purchaser to a qualified assignee shall cost \$50.00 for residents or taxpayers or \$100.00 plus \$100.00 perpetual care for non-residents.

The lawful owner of any cemetery lot within the Township shall promptly provide the Township Clerk with any change in that owner's mailing address.

The foregoing charges shall be paid to the Township Treasurer and shall be deposited in the cemetery fund for the particular cemetery involved in the sale or transfer. However, the sexton may receive the fees, issue township receipts, and will remit the money to the treasurer.

The Township Board, by resolution, may periodically alter the foregoing fees to accommodate increased costs and needed reserve funds for cemetery maintenance and acquisition.

### **Section 6: Grave Opening Charges**

The opening and closing of any burial space, prior to and following a burial therein, and including the interment of ashes, shall be at a cost to be determined from time to time by resolution of the Township Board, payable to the Township. Opening and closing cost is \$500.00 for burials throughout the calendar year; and \$125 for a cremation burial from April 1<sup>st</sup> thru November 30<sup>th</sup> only.

No cemetery lot shall be opened and closed except under the direction and control of the Cemetery Sexton. This provision shall not apply to any grave opening, disinterment, or similar matter which is done pursuant to a valid court order or under the supervision and direction of local or state health department authorities; however, even in such cases, the Township Sexton shall be given at least twenty-four (24) hours' prior notice of when such grave opening or closing will occur.

### **Section 7: Markers or Memorials**

All markers and memorials must be comprised of stone or other equally durable composition and shall face the same direction as the markers and memorials around them. Any large upright monument must be placed upon a suitable foundation to maintain the same in an erect position.

All markers, memorial, statue or similar item are not to exceed 30" in length for a single lot or 60" for a double lot. The foundation must be 6" wider than the dimensions of the base of monument or marker on all sides. This is to provide adequate distance for trimming and mowing purposes around the monument. If the foundation exceeds 5 feet long, the foundation must be poured on site prior to delivery of monument. This and other special foundations must be approved by Sexton or Township Clerk.

It is the responsibility of the monument business to provide or pour the foundation for the monument or memorial for a lot or grave site. If the monument business does not provide such a service, the Sexton or Township Clerk must be notified to make special arrangements for a foundation.

Memorial business must notify Sexton as to the size of the monument or memorial, foundation and lot number that is being serviced. Sexton also needs to be notified as to the date of when lot will be serviced prior to any foundation being placed or poured at a grave site. Monuments and memorials must be placed by monument company and have foundations placed upon setting of monument/memorial or unless other arrangements have been made with Sexton or Township Clerk. Foundations and monuments must be level. If, over time, that the foundation and/or monument become unlevel, monument business is responsible for releveling.

- Two children buried at the same time
- One Full Burial and one cremation
- Two cremations

Not less than 36 hours prior notice shall be given in advance of any time of any funeral to allow for the opening of the burial spaces. The opening and closing of cemetery lots shall be done only by the Township Sexton.

The appropriate permit for the burial space involved, together with appropriate identification of the person to be buried therein, and the burial-transit permit from the Health Department shall be presented to either the Sexton or the Township Clerk prior to interment. Where such permit has been lost or destroyed, the Township Clerk shall be satisfied, from his or her records, that the deceased person to be buried in the burial space is an authorized and appropriate person for that space before any interment is commenced or completed. The Funeral Director appoints a witness of the burial.

All graves shall be located in an orderly and neat appearing manner within the confines of the burial space involved.

Graves that have been opened the evening before interment must be covered for safety purposes.

## **Section 9: Disinterments**

No disinterment or digging up of an occupied grave shall occur until and unless any and all permits, licenses and written authorizations required by law for such disinterment or digging up of an occupied grave have been obtained from any applicable state or county agency, governmental unit or official, and a copy of the same has been filed with the Township.

The Township Board shall have the authority to refuse to allow a disinterment or the digging up of an occupied grave if the disinterment or digging up of an occupied grave is not done pursuant to a court order or does not have a reasonable basis.

## **Section 10: Cremains**

Cremains shall be buried within a plastic or metal container no larger than 12"x6"x5" and must be sealed. No cremains shall be scattered or dispersed within a Township cemetery.

## **Section 11: Grounds Maintenance**

No grading, leveling, or excavating upon burial space shall be allowed without the prior permission of the Cemetery Sexton or the Township Clerk.

No flowers, shrubs, trees or vegetation (including moss) of any type shall be planted without the approval of the Sexton or the Township Clerk. Any of the foregoing items planted without such approval may be removed by the Township or the Cemetery Sexton.

The Township Board reserves the right to remove or trim any existing tree, plant or shrub located within the cemetery in the interest of maintaining proper appearance and the use of the cemetery.

Mounds which hinder the free use of a lawn mower or other gardening apparatus are prohibited.

The Cemetery Sexton shall have the right and authority to remove and dispose of any and all growth, emblems, displays, containers or other items that therefore through decay, deterioration, damage or otherwise become or are unsightly, a source of litter or a maintenance problem.

Surfaces other than earth or sod are prohibited.

No more than three refuse of any kind or nature including, among others, dried flowers, wreaths, papers, and flowers containers on a cemetery plot. No glass containers or items are allowed. The refuse must be removed or deposited in containers located within the cemetery. All winter wreaths will be removed after April 1<sup>st</sup>. All summer decorations will be removed after November 1<sup>st</sup>. Removal of all grave site decorations by the deadlines allows the sexton time to perform spring and fall cleanup at the cemetery.

All vehicles must stay on roadway.

### **Section 12: Disclaimer of Township Liability and Responsibility**

Every person who enters, remains in and travels within a Township cemetery does so at their own risk. The Township is not responsible for any injury, accident or other calamity that might occur to any person present in a Township cemetery. Furthermore, the Township is not responsible for any damage or vandalism to, theft of or deterioration of any burial monument, headstone, flower urn or other item placed at or near a cemetery plot, burial site or anywhere in a Township cemetery. The purchaser or transferee of any cemetery plot or the equivalent (and all subsequent transferees, assigns, heirs, or beneficiaries) hereby releases, waives, indemnifies and holds harmless the Township for, from and against any injury, damages, causes of action, claims, costs and expenses associated with, relating to and/or involving the cemetery plot or similar right, any headstone, monument or similar items, and any matter related to the cemetery involved. Such waiver, release and hold harmless provision shall apply not only to the Township, but also as to the Township Sexton, and any Township employee, officer, official or agent.

- (a) Notice shall be sent by the Township Clerk by first-class mail to the last known address of the last owner of record informing him/her of the expiration of the 40-year period and that all rights with respect to said lots or spaces will be forfeited if he/she does not affirmatively indicate in writing to the Township Clerk within 60 days from the date of mailing of such notice his/her desire to retain said burial rights; and
