

# Attention

## **What: Program on the Proposed Lake Mitchell Restoration Project**

The City of Mitchell has proposed a \$25,000,000 Lake Mitchell Restoration Project which includes:

- \*Construction of drawdown structure for Lake Mitchell
- \*Mouth-of-the Lake improvements to be used to filter watershed run-off
- \*Mechanical dredging of the lake to address the internal nutrient load in the Lake.

## **Where: Carnegie Resource Center**

at 119 West 3rd Ave. Wheelchair accessible

**When: April 11, 2024 -- at 7:00 p.m.**

**Presenters: City Engineer and Project Personnel**

## **Bring your questions - Get informed**

- \*What is the history of the Lake and past projects?
- \*What kind of timeline will the project entail?
- \*How will this be funded? Taxes, Grants?
- \*Why is it needed?
- \*How will it help the citizens of Mitchell?
- \*Will this lead to other issues?
- \*What are the costs of restocking the Lake?
- \*Will the money used for the Lake take funds from other services?
