

We are here for you...

I am reaching out to you today to assure you during the Coronavirus pandemic, your health and well-being is our number one priority.

We will be and are open during this pandemic. There will be **no** interruption to your care.

To ensure the continuity of care, we are offering both telephonic and video visits. This will allow us to maintain a high quality and level of care throughout the pandemic.

Our office is open, and you can reach us either through the phone system or through the portal.

These are trying and distressing times; however, we need to keep in perspective, that overall, we will overcome.

Lets all work together. We are here for you. If you need anything, please feel free to call us.

God speed.
