## **Cabot Psychological Services Receives 2018 Best of Edina Award**

**Edina, December 8, 2018** -- Cabot Psychological Services has been selected for the 2018 Best of Edina Award in the Mental Health Service category by the Edina Award Program.

Each year, the Edina Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Edina area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2018 Edina Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Edina Award Program and data provided by third parties.
