Preparations for our spring recital are underway. The dance routines will be started after the new year, and during the month of November the children will be sized for their costumes. **All costumes must be paid for by December 4 and no costume will be ordered without payment.** The prices below include tights and any accessories for the complete costume. Please see below for you child(s) fee.

Tentatively, our recital is scheduled from Thursday June 2 to Saturday June 4. We hope to be able to return to our tradition of performing at Dwight Morrow Auditorium in Englewood, however, of course we must follow the guidelines of the state at that time. We do have a back-up plan for an outdoor recital in case we are unable to be indoors.

The recital is the highlight of the season for the dance student. As preparations begin, enthusiasm begins to spread among the students, the learning atmosphere of the class hits a new high, and general achievement shows a more rapid progression. Those students who cannot participate in the show are asked to let me know by December 4<sup>th</sup>. The regular class study of nonparticipants will not be affected, but it is important in our preparations that we know.

The prices below include the cost of the costume and any accessories or tights.
