

2014 Recovery Fund Sponsorship

WOMEN IN TRANSITION Inc, Angola, Indiana

This is the new 2014 Recovery Fund Sponsorship. The Fund was developed as a necessary component for the women entering recovery from drug and alcohol addictions. When a lady is released from jail or prison, they sometimes have NO means for paying the \$250 deposit to enter our recovery program.

This fund helps a woman enter our program without the stress of being turned away due to financial reasons.

ADMISSION FOR WOMEN *Recovery House*

It breaks my heart to have to turn someone away due to financial reasons, as we are not able to help them, but with a sponsorship fund, WIT would be able to open the doors to even more women. I have to turn away approximately 20 women a year for not being able to pay the \$250 deposit. Women that are wanting to change their lives have to stay in jail or until they can find a temporary shelter that can house them, delaying needed admission to our recovery house. This tenuous time may lead back to their addictions and back to jail. This is NOT our goal; **With your help, we can give these desperate women –Hope, Recovery and Shelter.**

After a resident enters our program they are required to find employment to pay rent of \$125 per week. They need to learn to become financially responsible for themselves. Some area businesses are willing to employ ladies with a past felony, which gives the resident hope of a future for the first time. If you can offer employment to women in transition, please contact me, 260-624-3178, Office, Women in Transition..
