### THE NEWS

We did some fun things in July. Beyond our regularly scheduled meetings, we also had an end of the month extra Sunday meeting at Pietra's Pizzeria in Wheat Ridge. Thank you to Lee Taylor for organizing the event. Around 30 people were in attendance and the music, food and camaraderie were all great. Also, one of our club members, Freddie Alexander, has frequently been out on the town singing, playing guitar and harmonica. Pay attention to his schedule and try to catch one of his shows.

We're looking forward to the SPAH convention (Aug 9-13) in Tulsa. Our Aug 14<sup>th</sup> meeting is normal, but a few folks could be absent if they're still traveling back from Tulsa. A heads up for another future event... the last Sunday meeting in September will take place at Shawn Massa's place in Lone Tree. We had a wonderful time there last year and are looking forward to gathering there again. More information related to that in the next newsletter.

How about a musical theme suggestion for sometime in August? Here's a list of some very successful folk music artists mostly from the mid 1900's. Broadly, some of the most popular groups/artists include Woodie Guthrie, Pete Seeger, Burl Ives, The Kingston Trio, Peter Paul and Mary, The Weavers, Judy Collins, Joan Baez... You can do some research and find some more. Google some of their songs and find one you'd like to play sometime for one of this month's open-mics. See you all soon.

Scott
