**From:** AHIP's Insurance Education Department

**Date:** May 4, 2020

**Re:** New Training Layout for the Marketing Medicare Advantage + Fraud, Waste and Abuse Program

We want to inform you of the upcoming changes to the *Marketing Medicare Advantage + Fraud, Waste and Abuse* training layout. The changes will occur on June 22, 2020, at the launch of the 2021 training season.

AHIP's number one goal is to ensure that agents, brokers and marketing representatives retain the training content necessary to properly prepare for the final exam. We now require that users complete all review questions before they can proceed forward with the training. Review questions will be located at the end of each module and will include feedback and sources, with an unlimited number of submissions. We hope the review questions will serve as a study tool and help users identify which areas of the training requires more of their focus before accessing the final exam. Review questions are **not** counted towards the AHIP Final Exam and are for study purposes only.

We also have streamlined the content, and modules will now include topic headings to help users easily navigate through the training. AHIP will launch a Frequently Asked Questions (FAQ) section on the Medicare website to help users quickly find answers about the training process.

To see how these changes will impact new and returning users, [click here](#). We look forward to servicing your training needs. If you have any questions, please contact [Support@ahipinsuranceeducation.org](mailto:Support@ahipinsuranceeducation.org).
